

## Works Notification Update

21 August 2017

### Geotechnical investigations – The Boulevard, Wiley Park

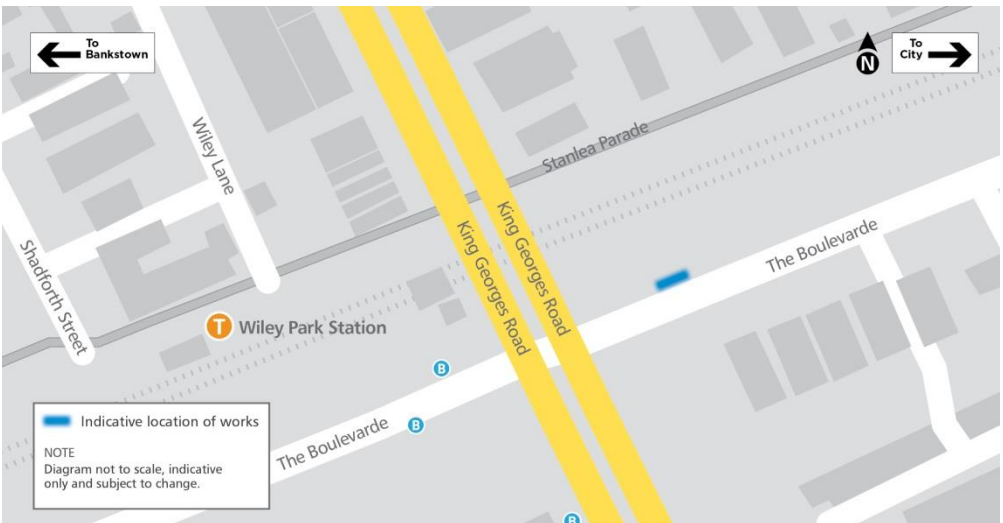

Further to our notification on 17 July, 2017 we are writing to advise that due to site conditions, these works will now be undertaken over **one day**, week commencing **Monday 28 August, 2017** and are weather and site conditions permitting.

#### Work hours

These works will need to be completed during standard construction hours, which are **7am to 6pm** on weekdays.

#### What you can expect

- A small team carrying out non-intrusive geotechnical investigation work using a hand auger
- No impacts on parking
- These works are not expected to be noisy.

If you require the services of an interpreter, please contact the **Translating and Interpreting Service** on 131 450 and ask them to call **Sydney Metro** on 1800 171 386. The interpreter will then assist you with translation.
