

The NSW Government has awarded a \$955 million contract to Laing O'Rourke Australia to deliver the new Sydney Metro platforms under Central Station as well as the landmark Central Walk - a new underground pedestrian concourse to help customers get around Sydney's busiest railway station.

Installing temporary office accommodation

From 6 to 22 October 2018, temporary office accommodation will be installed near the southern end of Platform 1 behind 18 and 26 Lee Street. These temporary offices including kitchen and toilet amenities will house Sydney Trains staff that work at Central Station. The offices are expected to be in place until the end of this construction in 2022.

Work will involve:

- Using a mobile crane and bobcat/excavator. The demountables will be lifted and pulled into position and this may create some noise
- Deliveries of materials and the demountable offices by trucks via the 18 – 26 Lee Street driveway and installed over two weekends
- Fitout of the offices during standard working hours will be undertaken using equipment such as drills and hand tools. Minimal noise is expected from these works, the project team will limit these impacts wherever possible.

Standard working hours

Standard working hours are Monday to Friday, 7am–6pm and Saturday, 8am–1pm.

Out of hours work

Due to high daytime traffic volumes and the need to ensure pedestrian safety, some works will need to be completed outside of standard construction hours:

- Saturday 6 October, 7am to 6pm and Sunday 7 October, 7am to 6pm
- Saturday 13 October, 7am to 6pm and Sunday 14 October, 7am to 6pm.

What to expect

- Access will be via the driveway at 18 - 26 Lee Street. **There will be no public access to the 18, 20 and 26 Lee Street car parks or the driveway during the weekend works**
- Traffic control and directional signage will be in place for the safety of workers and the community
- Noise from these activities is expected to be minimal.

Thank you for your cooperation while we complete these essential works.

If you have any questions please contact the Stakeholder and Community Team on 1800 171 386 (24 hour community information line) or email us at centralstationmetro@transport.nsw.gov.au.
