

SYDNEY METRO NORTHWEST – out of hours works

In the early hours of Friday 28 March 2019, a semi-trailer will leave the Showground Road, Castle Hill worksite.

Due to Roads and Maritime Services restriction on the movement of oversized vehicles, this vehicle movement will take place out-of-hours between 12am midnight and 3am in order to minimise impact on the road network.

What to expect:

- A truck with non-tonal reversing beepers
- Some light in the worksite off Showground Road, near the traffic lights

What we will do to minimise impacts:

- Minimise worker noise during the truck movement
- Use of a pilot vehicle to help ensure motorist safety.

Thank you for your cooperation while we complete these works.
