Notification – Completion of painting – out of hours work

Sydney Metro is a new world-class railway for Sydney. The $8.3 billion Sydney Metro Northwest is the first stage of Sydney Metro – Australia’s biggest public transport project.

Services start on 26 May 2019 on Australia’s first fully-automated railway, with 13 metro stations and 4000 new commuter car parking spaces.

Sydney’s fast, safe and reliable metro trains are fully-air conditioned with new customer benefits like multi-purpose spaces for luggage and parents with prams, as well as wheelchair spaces and priority seating in each carriage.

Painting work is required on the weekend of Saturday 18 May through to Monday 20 May 2019 at the development site next to Tallawong Station.

The work area is shown on the map overleaf.

Works will involve:
- Painting of floor surfaces

Hours of work

These works will be completed outside of standard construction hours on Saturday between 1pm and midnight, Sunday between 8am and midnight and Monday between 6pm and midnight.

What to expect
- Plant equipment is fitted with non-tonal reversing beepers and equipment will be switched off when not in use.
- The noise from these activities is expected to be minimal.

Thank you for your cooperation while we complete these essential works.
