

NOTIFICATION – ORCHARD HILLS | 27 MAY 2019

## Sydney Metro is Australia's largest public transport project

Sydney Metro Greater West is the new metro railway line which will service Greater Western Sydney and the new Western Sydney International (Nancy-Bird Walton) Airport.

The new railway will include stations at the airport, Western Sydney Aerotropolis, and St Marys – where customers can connect with the rest of Sydney's existing suburban rail network.

World-class metro rail means better access to more places, faster travel times, less congestion on roads and a reduced reliance on cars.

Metro services have started in the city's North West between Rouse Hill and Chatswood and will be extended into the Sydney CBD and beyond to Bankstown in 2024. Detailed investigations are also taking place for Sydney Metro West, which will link the CBDs of Parramatta and Sydney and communities along the way in around 20 minutes.

### Survey work – Orchard Hills

Survey work is taking place on Kent Road, Orchard Hills (between the M4 motorway exit and Lansdowne Road) to assist with early planning and design work for Sydney Metro Greater West.

This work is required to survey utilities, in advance of possible geotechnical investigations to determine the underlying ground and groundwater conditions.

The survey will take place in the week beginning **3 June 2019** on Kent Road, Orchard Hills. Work will take up to a maximum of half a day (weather and site conditions permitting).

#### Work will involve

- A small survey team walking along the nature strip and footpaths, carrying hand held survey equipment
- Light vehicles, used by the survey team.

#### What to expect

Access to properties will be maintained at all times.

There is no noise impact from these activities, and work will take place during standard construction hours which are between **7am and 6pm**.

#### Thank you for your cooperation while we complete this essential work.

If you require further information please contact Sydney Metro Greater West on 1800 717 703 or email [greaterwestmetro@transport.nsw.gov.au](mailto:greaterwestmetro@transport.nsw.gov.au).

## Kent Road – survey work

If you require the services of an interpreter, please contact the **Translating and Interpreting Service on 131 450** and ask them to call **Sydney Metro on 1800 717 703**. The interpreter will then assist you with translation.
