

## Sydney Metro is Australia's biggest public transport project.

New metro rail will become the fastest, easiest and most reliable journey between the Sydney and Parramatta CBDs. Sydney Metro West will service the key precincts of Greater Parramatta, Sydney Olympic Park, The Bays and the Sydney CBD.

Metro services started in 2019 in the city's North West with a train every four minutes in the peak. Metro rail will be extended into the CBD and beyond to Bankstown in 2024. Sydney Metro includes new underground CBD stations at Barangaroo, Martin Place and Pitt Street with new metro platforms under Central.

In 2024, Sydney Metro will have 31 stations on a new 66km standalone metro rail system – the biggest urban rail project in Australian history with ultimate capacity for a metro train every two minutes in each direction under the Sydney city centre.

### Asset Condition Assessment: The Bays

Essential asset condition assessment is being undertaken by Sydney Metro West to assist with planning and design at The Bays.

This work will be done within standard construction hours between 7am and 6pm Monday to Friday, from **Monday 13 July 2020 to Friday 17 July 2020**, weather and site conditions permitting.

#### Work will involve:

- Capturing details of vegetation, road surfaces, buildings and structures, and fences and embankments
- Technicians using hand held devices and tripod mounted equipment

#### What to expect:

- Noise from these activities is expected to be minimal
- Access to buildings and driveways will be maintained at all times.

Equipment used includes but is not limited to; a light vehicle and survey equipment.

#### Contact us:

Your local Place Manager for Sydney Metro West at The Bays is Jenny Williams.

Jenny will be your main contact for questions and enquiries regarding the project.

Sydney Metro is working with the WestConnex Rozelle Interchange project team to coordinate work activities in the area. For more information on their works email [Info@rozelleinterchange.com.au](mailto:Info@rozelleinterchange.com.au) or call 1800 660 248.

Thank you for your cooperation while we complete these essential works.
