

Notification – Five Dock

14th September 2020

Sydney Metro is Australia's biggest public transport project.

New metro rail will become the fastest, easiest and most reliable journey between the Sydney and Parramatta CBDs. Sydney Metro West will service the key precincts of Greater Parramatta, Sydney Olympic Park, The Bays and the Sydney CBD.

Metro services started in 2019 in the city's North West with a train every four minutes in the peak. Metro rail will be extended into the CBD and beyond to Bankstown in 2024. Sydney Metro includes new underground CBD stations at Barangaroo, Martin Place and Pitt Street with new metro platforms under Central.

In 2024, Sydney Metro will have 31 stations on a new 66km standalone metro rail system – the biggest urban rail project in Australian history with ultimate capacity for a metro train every two minutes in each direction under the Sydney city centre.

Site investigations: Kings Park

Essential geotechnical investigation work is being undertaken by Sydney Metro West. This work is required to determine the underlying rock conditions and inform early design work for Sydney Metro West.

This work is expected to commence on Monday 21st September 2020 for up to two weeks, weather and site conditions permitting. Work is being done during standard construction hours Monday to Friday 7am-6pm and Saturday 8am-1pm. Please see the map overleaf of the work location.

Work will include:

- Establishing a temporary site with site fencing
- Using a truck mounted drill rig to bore below ground level
- Removing spoil from site using a vacuum excavation truck
- Reinstating the area at completion of the work.

What to expect:

- The work will generate some noise but impact is expected to be minimal
- Traffic control and directional signage may be used for the safety of workers and the community
- Access to pathways and buildings will be maintained at all times for vehicles and pedestrians.

Geotechnical work area – Kings Park

Contact us:

Your local Place Manager for Sydney Metro West at Five Dock is Bernice Kelly. Bernice will be your main contact for questions and enquiries regarding the project and can be contacted on 1800 612 173.

If you'd prefer to further receive updates by email, please contact Bernice who can add you to the distribution list. Our email is: sydneywest@transport.nsw.gov.au. Thank you for your cooperation while we complete these essential works.
