

Notification – Five Dock

21st October 2020

Sydney Metro is Australia's biggest public transport project.

New metro rail will become the fastest, easiest and most reliable journey between the Sydney and Parramatta CBDs. Sydney Metro West will service the key precincts of Greater Parramatta, Sydney Olympic Park, The Bays and the Sydney CBD.

Metro services started in 2019 in the city's North West with a train every four minutes in the peak. Metro rail will be extended into the CBD and beyond to Bankstown in 2024. Sydney Metro includes new underground CBD stations at Barangaroo, Martin Place and Pitt Street with new metro platforms under Central.

In 2024, Sydney Metro will have 31 stations on a new 66km standalone metro rail system – the biggest urban rail project in Australian history with ultimate capacity for a metro train every two minutes in each direction under the Sydney city centre.

Site Survey: Five Dock

Non-intrusive survey work will be undertaken in your area to assist with early planning and design for Sydney Metro West. Work is expected to commence on **Wednesday 28 October 2020** and continue for up to **three weeks** (weather and site conditions permitting).

Work will include:

- Visual inspection of utility covers
- Tracing of underground services and surveying using hand held instruments, utility detection equipment and tripod mounted equipment.

What to expect:

- Noise from these activities is expected to be minimal
- Access to pathways and buildings will be maintained at all times
- Bus services will not be affected by these works.

Work will be completed during standard construction hours Monday to Friday 7am to 6pm and Saturday 8am to 1pm. Please note: no photos will be taken of private property.
