

Notification – Extended work hours

April 2021

Sydney Metro is Australia's biggest public transport project.

Services started in May 2019 in the city's North West with a train every four minutes in the peak. Metro rail will be extended into the CBD and beyond to Bankstown in 2024. There will be new CBD metro railway stations at Martin Place, Pitt Street and Barangaroo and new metro platforms at Central.

In 2024, Sydney will have 31 metro railway stations and a 66 kilometre standalone metro railway system. There will be ultimate capacity for a metro train every two minutes in each direction under the Sydney city centre.

A W Edwards has been awarded the contract to build the new Crows Nest Station. Station box excavation and tunnelling is now complete and rail track installation is underway. A W Edwards has now started initial work to build the station structure.

Extended work hours at Crows Nest Station

On 25 March 2021, the NSW Government extended the prescribed period for implementing changes to standard working hours due to COVID-19 until **31 March 2022**. The extended work hours are part of the NSW Government's efforts to support the State's economic recovery, protect the health and safety of the community and ensure businesses are able to adapt and respond to changing needs.

A W Edwards will be implementing extended working hours at the Crows Nest Station site from Saturday 10 April 2021 **until 31 March 2022 from 7am to 6pm on Saturdays and Sundays.**

During the extended hours on **Saturday 7am to 8am and 1pm to 6pm, and Sunday 7am to 6pm** there will be no high noise activities such as rock breaking, rock hammering, sheet piling, pile driving or similar activities taking place. This allows construction activities to occur Monday to Sunday, 7am to 6pm.

All applicable noise and vibration controls will remain in place at all times, including respite periods, noise and vibration monitoring, appropriate selection of equipment and use of non-tonal reverse alarms.

Thank you for your cooperation while we complete this essential work.
