

## Notification – Parramatta

7 September 2021

Sydney Metro is Australia's biggest public transport project.

The NSW Government is delivering Sydney Metro West - a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, with a target travel time of about 20 minutes between the two centres.

Stations have been confirmed at Westmead, Parramatta, Sydney Olympic Park, North Strathfield, Burwood North, Five Dock, The Bays, Pyrmont and Hunter Street in the Sydney CBD.

Sydney Metro was granted planning approval to construct twin underground rail tunnels between Westmead and The Bays for Sydney Metro West in March 2021.

**In line with Public Health Orders, work is now permitted at construction sites in Greater Sydney subject to conditions. Essential site investigations will be undertaken at Parramatta in line with current restrictions.**

### Parramatta site investigations

To prepare for the start of construction, essential site investigations will be undertaken by Sydney Metro at the future Parramatta metro station site. This work is required to assess the presence of hazardous materials on site prior to demolition activities planned to begin later this year.

Work will commence on **Tuesday 14 September 2021 and will continue for up to eight weeks**, weather and site conditions permitting.

Work will be completed during standard construction hours **Monday to Friday 7am-6pm and Saturday and Sunday 7am-6pm.**

Sydney Metro will continue to undertake work across its projects in accordance with current NSW Government advice and will continue to implement social distancing and travel and hygiene measures in accordance with Public Health Orders to protect employees and members of the community.

#### Work will involve:

- Visual site inspections
- Surveying vacant properties within the future Parramatta metro station site
- Dilapidation surveys on surrounding road network
- Collecting samples from each property for testing

#### What to expect:

- This work is not expected to be noisy
- The team will use equipment including small hand tools
- Access to pathways and buildings will be maintained at all times
- No images will be taken of private property
- No access into occupied premises will be sought.
