

Notification – Sydney International Speedway, Eastern Creek

14 December 2020

A new world-class speedway for Western Sydney

The NSW Government is delivering a world class speedway within Western Sydney Parklands' Precinct 5: Eastern Creek Motor Sports which will be an exciting addition to the existing motorsport precinct and create a Motorplex destination for international, national and local racing events.

The new speedway would be a key contributor to the NSW economy and support tourism in Western Sydney, bringing in interstate and overseas competitors, crews and spectators.

Site establishment and speedway construction:

Early work will continue at the new Sydney International Speedway site throughout December 2020 and January 2021. Major works will also commence during this time, subject to the project receiving formal planning approval. Work will be undertaken during standard construction hours, Monday to Friday 7am to 6pm and Saturday 8am to 1pm.

Work will be undertaken within the Sydney International Speedway site, the Sydney Dragway site, on Ferrers Road and in the area south of Ferrers Road known as Pipeline Park.

Continuing work will involve:

- Constructing temporary car parks
- Establishing internal roads
- Constructing a southern entrance onto Ferrers Road
- Utility locating and surveys.

New work subject to planning approval:

- Site clearing and removal of trees and scrub
- Earthworks and movement of spoil
- Utility work to support construction of the new car park and speedway.

What to expect:

- This work will generate some noise but impact is expected to be minimal
- Increased truck movements can be expected during this time.

Changes to traffic:

During these works traffic control and directional signage will be in place to assist motorists, pedestrians and cyclists. This may include temporary partial road closures. The times of these changes will vary and are dependent on road authority approvals.

Equipment used:

Equipment used for this work includes but is not limited to: excavators, dozers, scrapers, graders, compactors, dump trucks, and road trucks.

Sydney International Speedway work area

Next steps:

Construction of the Sydney International Speedway is expected to be completed in late 2021. We will continue to provide the community and stakeholders with further updates as the project progresses.

Contact us:

Your local Place Manager for the Sydney International Speedway project is Tara Larkin. Tara will be your main contact for questions and enquiries regarding the project and can be contacted on 1800 612 173.

Thank you for your cooperation while we complete this work.
