

## **Notification – St Marys**

23 August 2021

**Sydney Metro is Australia’s biggest public transport project.**

Sydney Metro – Western Sydney Airport is the new metro railway line which will service Greater Western Sydney and the new Western Sydney International (Nancy-Bird Walton) Airport.

The railway will service the new airport and airport business park, the Western Sydney Aerotropolis, Luddenham, Orchard Hills and St Marys – here customers can connect to the existing Sydney Trains suburban T1 Western Line. The NSW and Australian governments have a shared objective of having Sydney Metro – Western Sydney Airport operational when the airport opens for passenger services.

The safety of the community and our workforce is our top priority. All works will be undertaken in line with Public Health Orders, using a range of COVID-safe measures and plans. We will continue to keep the community updated about any further changes to Sydney Metro construction activities.

### **Geotechnical investigations: Station Street, St Marys**

Geotechnical investigations will take place on the southern side of St Marys Station near the goods shed and lift on Station Street, to assist with the planning and design of the Sydney Metro – Western Sydney Airport station at St Marys.

Work is expected to start on **Monday 30 August 2021 and will continue for up to two weeks**, weather and site conditions permitting and pending NSW Health Advice.

Work will be completed during standard construction hours Monday to Friday 7am to 6pm and Saturday 8am to 1pm. Residents and businesses will be notified in advance of any out-of-hours work. Please see map overleaf to inform work locations.

#### **Work will include:**

- Establishing a temporary investigation site
- Removal of brick pavers by hand
- Removal of underlying concrete with a bob saw
- A mobile rig to drill a borehole
- Removing spoil from the work area using a vacuum truck
- An increase in vehicle movements
- Reinstating work area at completion of the work

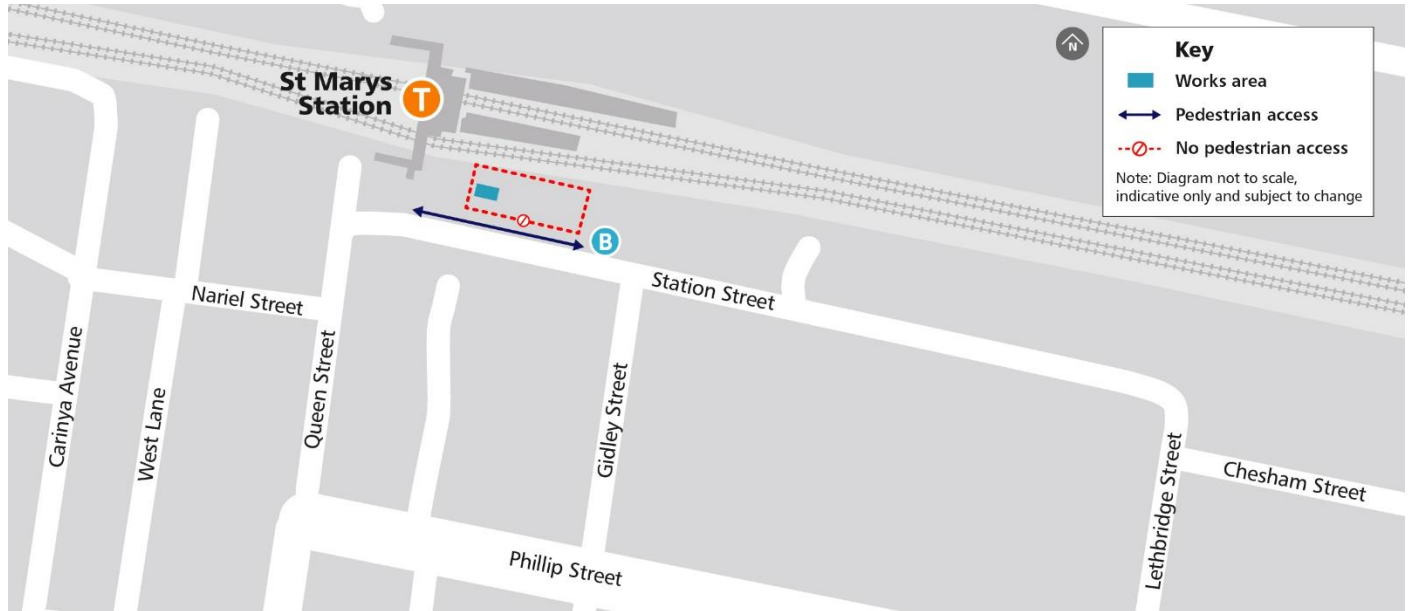

#### **What to expect:**

- Work will generate some noise and our team will minimise impacts where possible
- Pedestrian access to the bus interchange along Station Street will be maintained at all times
- Pedestrians are advised to take care around the work site
- There will be no disruption to the delivery of utility services

#### **Equipment used:**

Equipment for this work includes but is not limited to: bob saw, drill rig, plastic track mats, vacuum truck with spill kit, generators, light vehicles and temporary fencing.

## Work area

### Contact us:

Your local Place Manager for Sydney Metro – Western Sydney Airport is Asha Pomery. Asha will be your main contact for questions and enquiries regarding the project and can be contacted on 1800 717 703.

If you'd like to receive these updates by email, please contact Asha who can add you to the distribution list. Our email is: [sydneymetrowsa@transport.nsw.gov.au](mailto:sydneymetrowsa@transport.nsw.gov.au)

Thank you for your cooperation while we complete these essential works.

 **1800 717 703** Community information line open 24 hours
