

## **Notification – St Marys**

21 June 2021

Sydney Metro is Australia's biggest public transport project.

Sydney Metro – Western Sydney Airport is the new metro railway line which will service Greater Western Sydney and the new Western Sydney International (Nancy-Bird Walton) Airport.

The railway will service the new airport and airport business park, the Western Sydney Aerotropolis, Luddenham, Orchard Hills and St Marys – here customers can connect to the existing Sydney Trains suburban T1 Western Line. The NSW and Australian governments have a shared objective of having Sydney Metro – Western Sydney Airport operational when the airport opens for passenger services.

### **Geotechnical investigations – Camira Street and West Lane, St Marys**

Geotechnical investigations will be carried out on the north-eastern end of Camira Street and northern end of West Lane, St Marys. Please see map overleaf for locations of the work at St Marys.

These investigations will help determine ground and groundwater conditions to assist with the planning and design of the Sydney Metro – Western Sydney Airport project.

Weather and site conditions permitting, work at:

- Camira Street will take place from **Monday 28 June 2021 and is expected to take up to three weeks** to complete.
- West Lane will take place from **Monday 28 June and is expected to take up to three days** to complete.

Work will be completed during standard construction hours of 7am to 6pm Monday to Friday.

#### **Work will include:**

- Establishing two temporary geotechnical investigation sites
- A mobile rig to drill boreholes to below ground level
- Removing spoil from the work area using a vacuum excavation truck
- Reinstating work areas at completion of the work

#### **What to expect:**

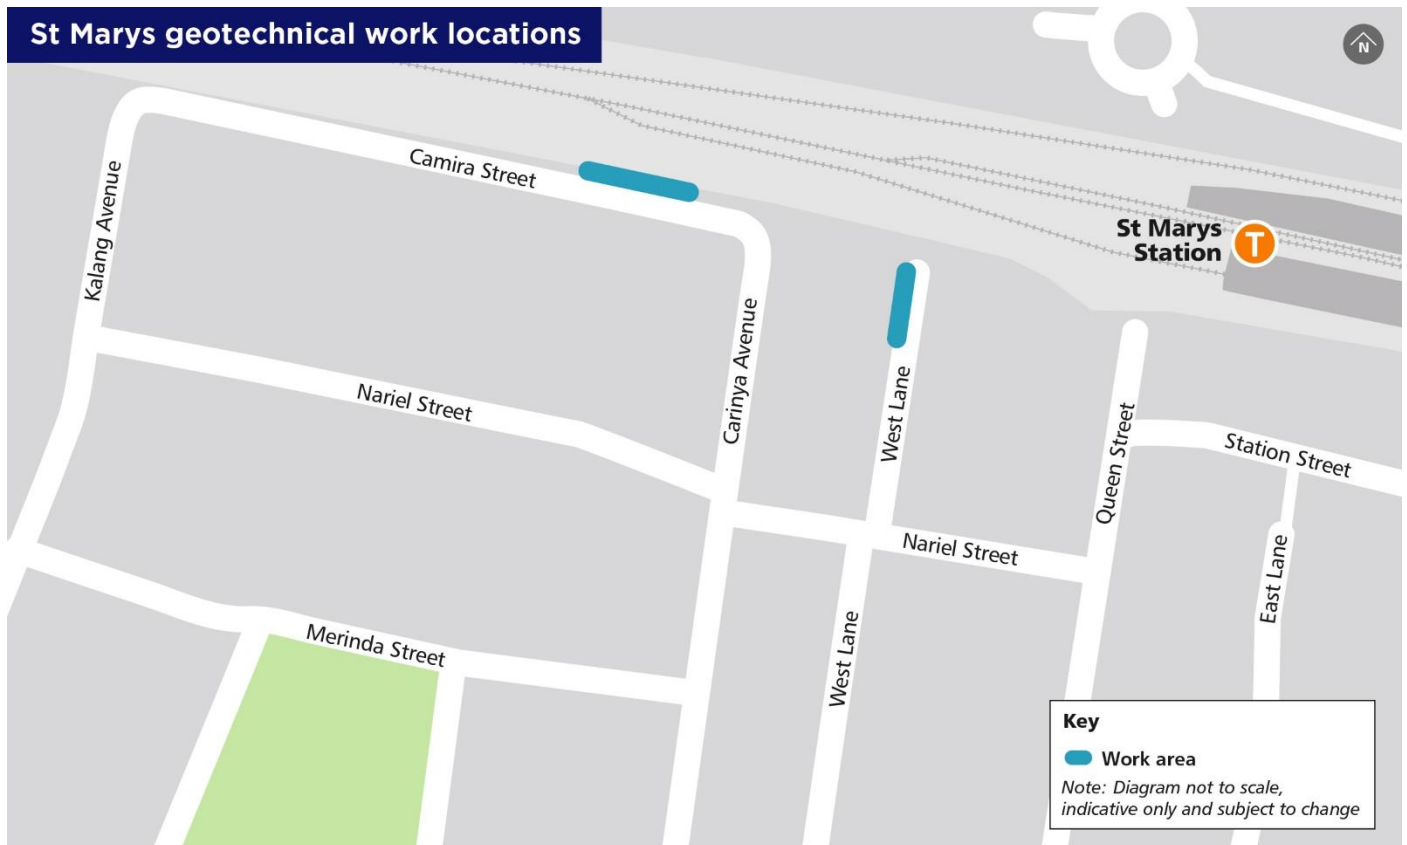

- Work will generate some noise and our team will minimise impacts where possible
- Access to driveways and buildings will be maintained at all times
- An increase of light vehicles near the work sites
- Minor traffic disruptions with traffic control measures in place
- Parking will be temporarily unavailable at the work sites

#### **Equipment used:**

Equipment for this work includes but is not limited to: drill rigs, vacuum trucks, support and light vehicles, and temporary fencing.

Thank you for your assistance with this important work.
