

## **Notification – Burwood North Station site**

20 October 2021

Sydney Metro is Australia's biggest public transport project.

The NSW Government is delivering Sydney Metro West - a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, with a target travel time of about 20 minutes between the two centres. Sydney Metro was granted planning approval to construct twin underground rail tunnels between Westmead and The Bays for Sydney Metro West in March 2021.

Acciona Ferroviaria Joint Venture (AFJV) has been awarded the contract to deliver 11 kilometres of twin metro rail tunnels between Sydney Olympic Park and The Bays and excavate five new metro stations, including one at Burwood North.

### **Closure of Neichs Lane, east of Burwood Road**

The tunnelling contractor, Acciona Ferroviaria Joint Venture (AFJV) is doing some early work to prepare for construction at the Burwood North Station site, which is due to start in January next year.

Sydney Metro has handed over all of the properties which were acquired for the project and are now vacant. The eastern portion of Neichs Lane between Burwood Road and Parramatta Road is located within the future station site and will be permanently closed from **27 October 2021** (see map overleaf).

AFJV will install temporary fencing to close the laneway and secure the site.

**The safety of the community and our workforce is our top priority. All work will be undertaken in line with NSW Public Health Orders, using a range of COVID-safe measures and plans.**

#### **Changes to traffic, pedestrian and cyclist routes:**

During the work, traffic control will be in place to assist motorists, pedestrians and cyclists with any changes to traffic conditions. Variable Message Signs will be in place to advise pedestrians and motorists of the changes.

## Burwood North: Closure of Neichs Lane, east of Burwood Road

### Contact us:

Please contact Liz from the AFJV community team on 1800 612 173 if you have any questions about the project.

We will continue to keep you updated on the progress of work in your area. If you would prefer to receive updates by email, please send a request to [metrotunnelsAFJV@transport.nsw.gov.au](mailto:metrotunnelsAFJV@transport.nsw.gov.au) and we will add you to the distribution list.

Sydney Metro has launched Sydney Metro Connect - a new way to stay informed. You can download Sydney Metro Connect on the App Store or get it on Google Play.

Thank you for your cooperation while we complete this important work.
