

Notification – Westmead

10 November 2021

Sydney Metro is Australia's biggest public transport project.

The NSW Government is delivering Sydney Metro West - a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, with a target travel time of about 20 minutes between the two centres.

Stations have been confirmed at Westmead, Parramatta, Sydney Olympic Park, North Strathfield, Burwood North, Five Dock, The Bays, Pyrmont and Hunter Street in the Sydney CBD.

Sydney Metro was granted planning approval to construct twin underground rail tunnels between Westmead and The Bays for Sydney Metro West in March 2021.

Site establishment and surveys: Westmead

Sydney Metro has contracted Delta Group to prepare the site of the future Westmead metro station. To prepare for the start of construction, site establishment activities are ongoing at the future Westmead metro station site and surrounding areas. Structural demolition is expected to start at the site at the end of November.

Site surveys on Alexandra Avenue and Bailey Street is expected to commence **Wednesday 17 November for up to 4 days**, weather and site conditions permitting. This work will be completed during standard construction hours **Monday to Friday 7am to 6pm and Saturday 8am to 6pm**. Due to recent wet weather, ongoing geotechnical investigations on Alexandra Avenue are also expected to continue until late November 2021.

Sydney Metro will continue to undertake work across its projects in accordance with current NSW Government advice and will continue to implement social distancing and travel and hygiene measures in accordance with Public Health orders to protect employees and members of the community.

Work will involve:

- Visual inspection to locate existing service routes
- Inspecting existing service pits and storm water drains
- Jetting to clean any blockage prior to drainage survey using CCTV

What to expect:

- Traffic control and directional signage will be in place for safety of workers and the community
- Noise from these activities is expected to be minimal
- Access to pathways and buildings will be maintained at all times
- Parking may be temporarily restricted in some locations

Equipment used:

Equipment used for this work includes but is not limited to: hand held survey equipment, vacuum trucks, and light vehicles.

Changes to traffic pedestrian and cyclist routes:

During the work, traffic control will be in place to assist motorists, pedestrians and cyclists with any changes to traffic conditions. This may include contraflow traffic flow, stop-slow traffic controls, or partial road closures.

Location of work

Contact us:

Your local Place Manager for Sydney Metro West at Westmead is Vanessa Lum. Vanessa will be your main contact for questions and enquiries regarding the project and can be contacted on 1800 612 173 or at sydneymetrowest@transport.nsw.gov.au

If you prefer to receive updates by email, please contact Vanessa who can add you to the distribution list.

Thank you for your cooperation while we complete these essential works.
