

Project update – Glenwood pedestrian link

December 2021/January 2022

Sydney Metro is Australia's biggest public transport project. Metro North West services started in May 2019, with 13 stations and 4000 new commuter car parking spaces.

The fast, safe and reliable driverless metro trains are fully-air conditioned with new customer benefits like multi-purpose spaces for luggage and parents with prams, as well as wheelchair spaces and priority seating in each carriage.

Georgiou Group is delivering the Glenwood pedestrian link.

Upcoming work on the Glenwood pedestrian link

- Completion of civil works. This include:
 - Construction of the accessible ramp, stairs and utilities works at the pedestrian link
- Landscaping and screening within the link
- Installation of lighting, hand rails, tactile tiles and signage
- Re-planting of trees in the verge along Sharrock Avenue and Cramer Place and watering.

What to expect during these works:

- Delivery vehicles and machinery will require access to the project site at 1 Swansea Court. All deliveries will occur during standard working hours
- Use of surveying and measuring equipment by the project team
- Some work may result in noise and vibration impacts. The project team will limit these impacts wherever possible
- Watering and care of plants and turf
- Access to nearby residences and driveways will be maintained at all times.

Construction hours will be maintained to standard construction hours wherever possible, **Monday to Friday 7am to 6pm and Saturday 8am to 1pm.**

Should any circumstances arise where out of hours work is required a notification will be sent to properties that are directly affected and steps will be taken to minimise the disruption to local residents and workers.

Sydney Metro will continue to undertake work across its projects in accordance with current Government advice, and will continue to implement social distancing and travel and hygiene measures to protect employees and members of the community.

Georgiou Group will close the site for the Christmas/New Year break on Wednesday 22 December, 2021 and re-start works on Tuesday 4 January, 2022.
