

Project update

March 2022

Sydney Metro is Australia’s biggest public transport project.

Services started in May 2019 in the city’s North West with a train every four minutes in the peak. Metro rail will be extended into the CBD and beyond to Bankstown in 2024. There will be new CBD metro railway stations at Martin Place, Pitt Street and Barangaroo and new metro platforms at Central.

In 2024, Sydney will have 31 metro railway stations and a 66 kilometre standalone metro railway system. There will be ultimate capacity for a metro train every two minutes in each direction under the Sydney city centre.

Lendlease will deliver the new Sydney Metro Victoria Cross integrated station development at North Sydney, including the metro station, commercial building above and enhancements to pedestrian connections, retail and public spaces.

Out of hours works at Victoria Cross North site

In March, the Ausgrid terminal located on the corner of McLaren and Miller streets will be removed. The below outlines details of the upcoming works.

Date	Location(s)	Work
Tuesday 22 March, 8:30pm to 5am	McLaren and Miller streets	<ul style="list-style-type: none"> • Services locating • excavation, saw cutting, hammering and hand tools • traffic and pedestrian diversion on McLaren Street.
Wednesday 23 March, 8:30pm to 5am	McLaren and Miller streets	<ul style="list-style-type: none"> • excavation, saw cutting, hammering and hand tools • traffic and pedestrian diversion on McLaren Street.
Thursday 24 March, 8:30pm to 5am	McLaren and Miller streets	<ul style="list-style-type: none"> • complete high voltage disconnection • removal of the Ausgrid terminal on the corner of McLaren and Miller streets • traffic and pedestrian diversion on McLaren Street.

What to expect

- Clear signage advising vehicle access diversions in place.
- Traffic control will be in place for the safety of pedestrians, workers and the community.
- Some of these activities will be noisy. The project team will limit these impacts wherever possible. Non-tonal reversing beepers will be used, and workers will be instructed to keep noise to a minimum.

Thank you for your cooperation and understanding while we complete this essential work.
