

## Notification – Westmead

25 May 2022

Sydney Metro is Australia's biggest public transport project.

The NSW Government is delivering Sydney Metro West - a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, with a target travel time of about 20 minutes between the two centres. Stations have been confirmed at Westmead, Parramatta, Sydney Olympic Park, North Strathfield, Burwood North, Five Dock, The Bays, Pyrmont and Hunter Street in the Sydney CBD.

Gamuda Australia and Laing O'Rourke Consortium (GLC) has been awarded the contract to deliver the Western Tunnelling Package which involves nine kilometres of twin metro rail tunnels between Westmead and Sydney Olympic Park, excavation for two new metro stations, a stabling and maintenance facility at Clyde and a precast facility at Eastern Creek.

### Construction work at Westmead

Work at Westmead will continue into June (see map overleaf for work locations).

This work will be carried out during standard construction hours, between on **Monday to Friday 7am and 6pm and 8am to 6pm on Saturdays**. Noisier works after **1pm on Saturdays**, and upcoming out-of-hours work will be notified for separately if required.

#### Work will involve:

- Surveying local roads and nearby streets to record their existing condition
- Conducting geotechnical investigations to assess ground conditions and to monitor groundwater
- Conducting utility investigations including potholing, removing redundant services and connecting temporary services such as power, gas and water
- Preparing for site establishment including:
  - Clearing within the work site and installing fencing, hoarding and signage to prepare the work area
  - Installing site amenities including lunch sheds, office sheds and portable toilet facilities
  - Site access construction at an existing site entry point
  - Installing environmental controls including sediment control fencing
- Delivering machinery, equipment and materials to site and removing waste materials including demolition waste, building and hazardous materials.

#### What to expect:

- Some activities will generate noise, but this will be minimised as much as possible
- Property and business access will be maintained at all times
- Traffic control and directional signage will be in place for the safety of workers and the community
- Increased traffic as machinery and equipment are delivered

#### Equipment used:

Equipment used for this work will include but is not limited to light vehicles, survey equipment, mini drill rigs, excavators, backhoes, vacuum excavation trucks, tipper trucks, hand tools, chainsaws and mulchers.

## Location of work

## Contact us

We will continue to keep you updated about works in your area. Sydney Metro has launched Sydney Metro Connect – a new way to stay informed. You can download Sydney Metro Connect on the App Store or get it on Google Play.

Your Place Manager for Sydney Metro West at Westmead is Paige. Paige is your main contact for questions about the project and can be contacted on 1800 612 173 or at [metrotunnelsGLC@transport.nsw.gov.au](mailto:metrotunnelsGLC@transport.nsw.gov.au).

Thank you for your cooperation while we complete these essential works.
