

## **Project update**

June 2022

**Sydney Metro is Australia’s biggest public transport project.**

Services started in May 2019 in the city’s North West with a train every four minutes in the peak. Passenger services from Chatswood to Sydenham will commence in 2024, then on to Bankstown within 12 months. There will be new CBD metro railway stations at Martin Place, Pitt Street and Barangaroo and new metro platforms at Central.

By 2030, Sydney will have four metro lines, with 46 stations and a 113 kilometre standalone metro railway system. There will be ultimate capacity for a metro train every two minutes in each direction under the Sydney city centre.

Lendlease will deliver the new Sydney Metro Victoria Cross integrated station development at North Sydney, including the metro station, commercial building above and enhancements to pedestrian connections, retail and public spaces.

### **Out of hours works at Victoria Cross North site**

During the month of June, B-Class hoarding has been installed along McLaren Street. The team have been able to revise their methodology and are able to bring forward the removal of the pedestrian diversion, reducing impact to pedestrian access and returning street parking. The below outlines details of the upcoming works.

Date	Location(s)	Work
Wednesday 29 June, 6pm to 10pm	McLaren Street	Removal of pedestrian diversion, including: <ul style="list-style-type: none"><li>• traffic diversion on McLaren and Miller streets</li><li>• McLaren and Miller streets pedestrian closures and diversions</li><li>• removal of concrete barriers by small vehicles</li><li>• original footpath reopen with B-class hoarding installed.</li></ul>

#### **What to expect**

- Clear signage advising vehicle access and pedestrian diversions in place.
- Some of these activities will be noisy. The project team will limit these impacts wherever possible. Non-tonal reversing beepers will be used, and workers will be instructed to keep noise to a minimum.

**Thank you for your cooperation and understanding while we complete this essential work.**
