

## **Monthly construction update – Badgerys Creek and Luddenham**

October 2022

Sydney Metro is Australia’s biggest public transport project.

Sydney Metro – Western Sydney Airport is the new metro railway line which will service Greater Western Sydney and the new Western Sydney International (Nancy-Bird Walton) Airport. A city-shaping project, the 23-kilometre new railway will connect the Western Sydney Aerotropolis in the south with St Marys in the north – where customers can connect to the existing Sydney Trains suburban T1 Western Line. The NSW and Australian governments have a shared objective of having Sydney Metro – Western Sydney Airport operational when the airport opens for passenger services.

CPB Contractors and United Infrastructure Joint Venture (CPBUI JV) was awarded the Surface and Civil Alignment Works contract for Sydney Metro – Western Sydney Airport in March 2022. This notification will be the first instalment of the monthly updates that the project will provide to the Badgerys Creek and Luddenham community until completion of the surface and civil alignment works.

### **Work that was commenced in September:**

- Site, geotechnical and contamination investigations along the project alignment off Elizabeth Drive and Luddenham Road
- Establishment of site access, compound and staff facilities at the future site compound off Elizabeth Drive, Badgerys Creek.

### **Work in October will include:**

- Continuing site, geotechnical and contamination investigations, and site compound establishment
- Fortnightly aerial land surveys along the surface alignment to inform the construction design and planning of the project. These activities are not for surveillance and will continue until completion of the Surface and Civil Alignment Works.
- Road surveys along Badgerys Creek Road, Elizabeth Drive and Luddenham Road with traffic control in place to maintain road safety regulations
- Fencing works between Cosgroves Creek and Elizabeth Drive, Badgerys Creek.

### **What to expect:**

- Work will be completed during standard construction hours **Monday to Friday 7am to 6pm and Saturday 8am to 1pm.**
- An increase in heavy vehicles entering the future site compound off Elizabeth Drive, Badgerys Creek
- Increased vehicle movements on surrounding roads.

### **Equipment used:**

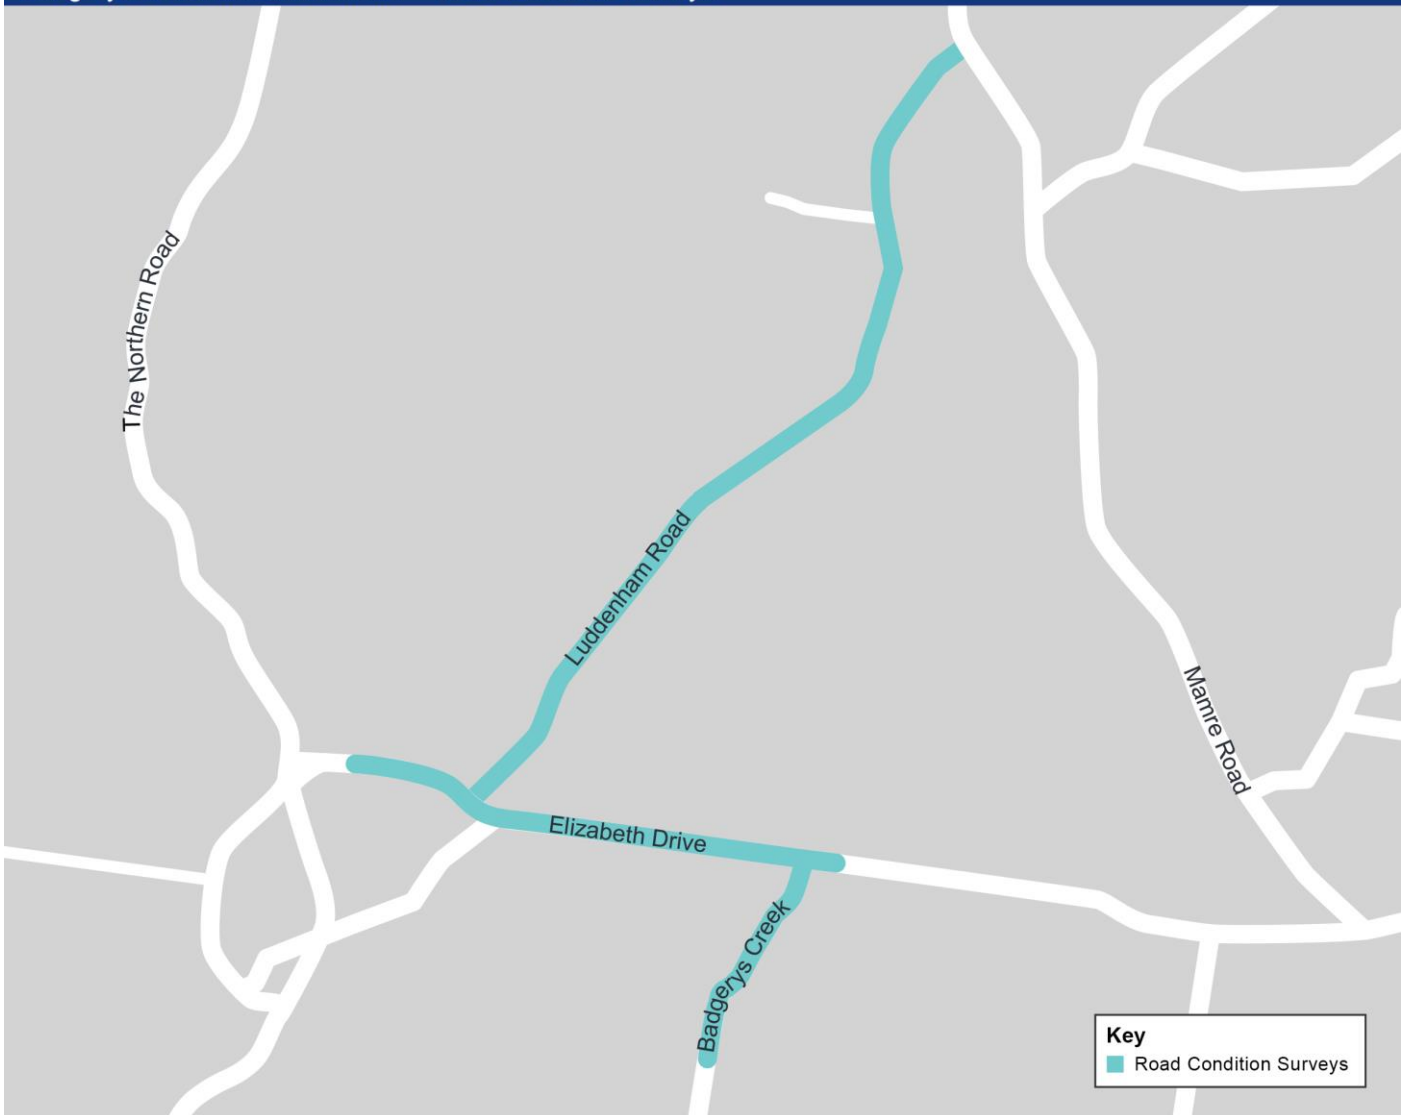

Equipment for this work includes but is not limited to survey equipment including marker pegs and pickets, flagging, survey trailer, hand tools, mobile drill rig, excavator, backhoe, trucks, vacuum truck, portable toilets, temporary shipping container, light and heavy vehicles, surveying drone, drone remote control for the survey.

### Out-of-hours work:

The project team will be carrying out road survey work along Badgerys Creek Road, Elizabeth Drive and Luddenham Road outside of standard construction hours throughout October due to road safety regulations. The work is not expected to be noisy. We will contact any directly impacted residents regarding this work. If you have any questions or would like to provide feedback regarding this out-of-hours work, please call 1800 717 703 or email [sydneymetrowsa@transport.nsw.gov.au](mailto:sydneymetrowsa@transport.nsw.gov.au).

Please see maps below and overleaf showing work locations.
