

## Notification – Canterbury

October 2022

Sydney Metro is Australia’s biggest public transport project.

By 2030, Sydney will have a network of four metro lines, 46 stations and 113km of new metro rail.

Sydney Metro is revolutionising how Australia’s biggest city travels, connecting Sydney’s north west, south west and greater west to fast, reliable turn-up-and-go metro services with fully accessible stations.

Passenger services from Chatswood to Sydenham will commence in 2024, then on to Bankstown within 12 months.

**From Monday 10 October, following the current rail shutdown, work will continue along the corridor and at Canterbury Station (weather and site conditions permitting).** Work will be undertaken during standard construction hours, **Monday to Friday 7am-6pm** and **Saturday 8am-6pm**. All work activities are subject to relevant approvals and will be tailored to the evolving Covid-19 situation at the time. The map on page 2 shows location details.

Location	Details of work during standard construction hours (daytime)
Canterbury (along the rail corridor)	<ul style="list-style-type: none"> <li>• Cable pulling, and site investigations and surveys including non-destructive digging, soil assessments, investigations and surveys for drainage, utilities, and fencing</li> <li>• Removal of trees and vegetation throughout the rail corridor where required</li> <li>• Delivery of plant and material including preparatory activities for upcoming out-of-hours work</li> <li>• Installation of fencing, cable service routes and galvanised steel troughing (GST)</li> <li>• Modification works to bridges along the alignment including Wairoa Street Bridge including temporary changes to traffic and pedestrian arrangements on the following streets:               <ul style="list-style-type: none"> <li>▪ Temporary lane closures continue along Wairoa Street between South Parade and East Parade for a period of about four (4) weeks</li> </ul> </li> </ul>
Around Canterbury station	<ul style="list-style-type: none"> <li>• Work will be undertaken at the metro services building on Charles Street, earthwork installation of drainage and combined services route, concreting work, steel work, and brick and block work. Bus stops will be relocated and some parking will remain temporarily unavailable.</li> <li>• Canterbury Road roofing and guttering works with a partial lane closure</li> <li>• Installation of containment on city side of Canterbury bridge</li> </ul>
Former Bowling Club	<ul style="list-style-type: none"> <li>• Temporary parking impacts on Close Street</li> <li>• Installation of temporary footpath at the rear of the Metro site compound</li> </ul>

Substation site off Hutton Street	<ul style="list-style-type: none"> <li>• Sit mobilisation and excavations</li> <li>• Installing conduits and drainage, cables and cable supports</li> <li>• Traffic controllers to facilitate truck movements on Hutton Street</li> <li>• Drainage work and form reinforced concrete work</li> <li>• Mechanical and electrical fit out</li> </ul>
-----------------------------------	---

*\*From time to time we may finish work later than 6pm as we complete concrete pours. This will entail finishing off poured concrete using manual and powered floats and may continue until 10pm. This may occur on up to four separate evenings during the month. The noise impact will be low.*

### Out-of-hours work

Due to the nature of some activities and for the safety of workers, some work will occur outside standard construction hours when trains are not running. Some equipment will also be delivered outside standard construction hours in line with Transport for NSW requirements for the movement of oversized vehicles. Properties in proximity to scheduled work will be notified prior to work starting. Planned out-of-hours work following the shutdown are detailed in the table below.

Date / time	Details of out-of-hours (including night) work
Mid-week between <b>6pm and 7am Monday 10 October and Monday 31 October 2022</b> (for no more than 3 nights per week)	<ul style="list-style-type: none"> <li>• Installation of signal equipment and cable pulling</li> <li>• Various site investigations and surveys including but not limited to non-destructive digging, soil assessments, geotechnical investigations, de-vegetation and surveys for drainage, utilities, and fencing</li> <li>• Delivery of plant and material including preparatory activities for upcoming out-of-hours work</li> <li>• Concrete work associated with installing galvanised steel troughing, new cable routes, rail access gates and bridge upgrades</li> <li>• Delivery of materials via late night train services is scheduled for mid to late October. This activity will be quiet</li> </ul>
<b>Upcoming rail possessions:</b>  <b>Saturday 5 November to Sunday 6 November 2022</b>  <b>Saturday 19 November to Sunday 20 November 2022</b>	Further information will be provided in the November monthly notification

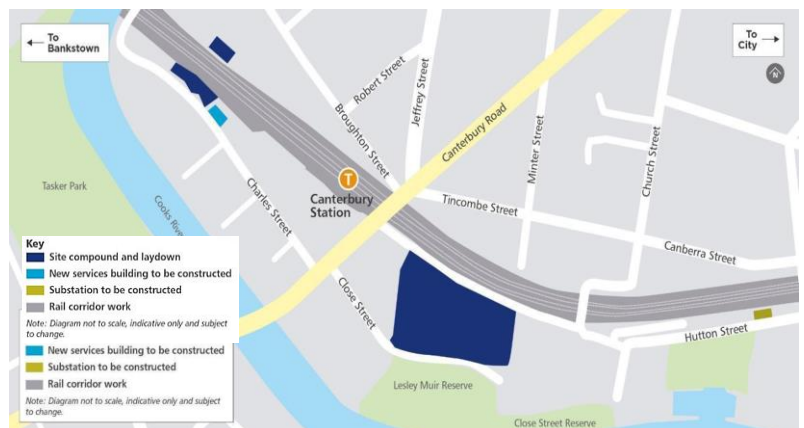

Equipment used for the above work will include heavy machinery (including but not limited to excavators, jack hammers, vacuum trucks, slashers, motorised saws, concrete trucks, elevated work platforms, concrete pumps, cranes, cable pulling equipment, road sweeper, compactors, lighting towers, forklifts, chainsaws, and water carts), and hand and power tools.

Access to buildings and driveways will be maintained at all times. Some of this work may be noisy, however we will take every possible step to minimise noise such as switching off equipment when not in use and using non-tonal reversing beepers.

### Keeping you informed

Properties close to the rail corridor will receive notifications when construction work is scheduled to occur. You can contact us on **1800 171 386** (24-hour community information line). If you have questions about the **substations** please ask for **Chris** or email [LinewideMetro@transport.nsw.gov.au](mailto:LinewideMetro@transport.nsw.gov.au). For all other works please ask for **Natalia** or email [SouthwestMetro@transport.nsw.gov.au](mailto:SouthwestMetro@transport.nsw.gov.au).

**Thank you for your cooperation while we complete this essential work.**

If you need an interpreter, contact TIS National on **131 450** and ask them to call **1800 171 386**
