

# Project update – Pyrmont Station

31 October 2022

The NSW Government is delivering Sydney Metro West - a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, with a target travel time of about 20 minutes between the two centres.

Stations have been confirmed at Westmead, Parramatta, Sydney Olympic Park, North Strathfield, Burwood North, Five Dock, The Bays, Pyrmont and Hunter Street in the Sydney CBD. Sydney Metro has been granted planning approval to construct twin underground rail tunnels between Westmead and Hunter Street in the Sydney CBD for Sydney Metro West.

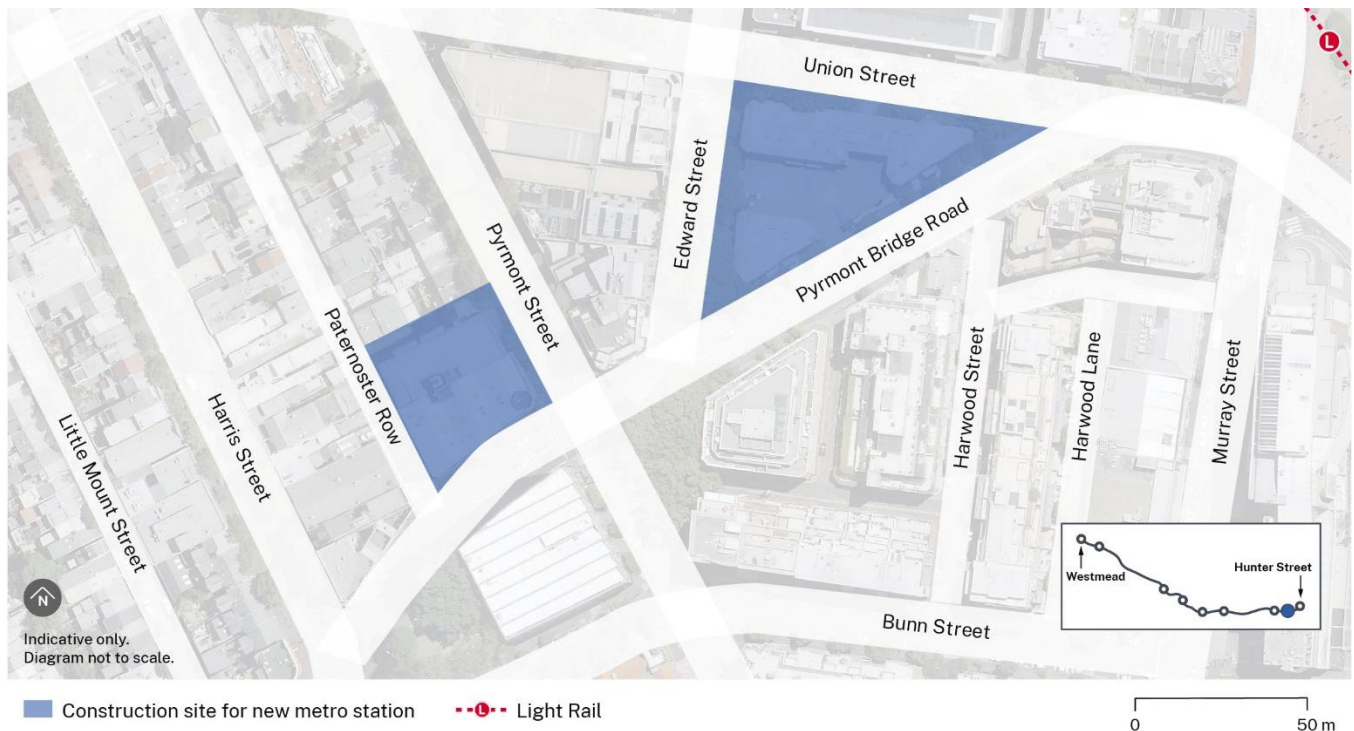

## Pyrmont Station

Pyrmont Station will greatly enhance plans to revitalise this inner-city precinct by encouraging jobs, investment and economic growth. The station will enable a new level of connectivity to the Pyrmont Peninsula and prioritise pedestrian movement through vibrant street frontages and open public spaces.

The station will be located between Pyrmont Bridge Road and Union Street with entrances on both streets. Pyrmont Station will be a key enabler for growth and change on the Pyrmont Peninsula, all on the doorstep of Darling Harbour, Blackwattle Bay, the New Sydney Fish Market and the Sydney CBD.

Sydney Metro is continuing investigation work within the Pyrmont Station sites and surrounding areas prior to construction, expected to start mid-2023.
