

Notification – The Bays, Rozelle

28 November 2022

Sydney Metro is Australia's biggest public transport project.

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, with a target travel time of about 20 minutes between the two centres.

Sydney Metro has been granted planning approval to construct twin underground rail tunnels between Westmead and Hunter Street in the Sydney CBD for Sydney Metro West. Acciona Ferrovia Joint Venture (AFJV) has been awarded the contract to deliver 11 kilometres of twin metro rail tunnels between The Bays and Sydney Olympic Park and excavate five new metro stations, including a station at The Bays.

Out-of-hours work: Robert Street, Rozelle

The tunnelling contractor, AFJV, will be carrying out utility investigation work along Robert Street. This work must occur outside standard construction hours to minimise impacts on traffic and to ensure the safety of motorists, pedestrians and workers.

Night work will occur on Robert Street and the corner of Crescent Street between 8pm and 5am on **Tuesday 6 December, Monday 12 December, Wednesday 14 December, Sunday 18 December, Monday 19 December and Wednesday 21 December 2022.**

Work will include:

- Saw cutting the road surface
- Potholing for utilities
- Cone penetration testing
- Investigating sewer pits using CCTV truck
- Cleaning sewer pipes
- Mechanical lifting of the manhole lids
- Reinstatement of pavement where required

What to expect:

- Noise blankets will be used to minimise disturbance
- Saw cutting and hammering work will be completed by midnight
- Access will be maintained to all properties and businesses
- There will be no disruption to supply of utility services

Equipment used:

Equipment used for this work includes but is not limited to: trucks, light vehicles, road saw, jackhammer, vacuum trucks, CCTV truck, excavator with hammer attachment, generator, vibration plate, lighting tower and hand tools.

Changes to traffic, pedestrian and cyclist routes:

Temporary lane closures will be in place on Robert Street during the night work only (see map below). Two-way traffic will be maintained at all times, with only two of the four lanes closed at a time. Traffic control will be in place to assist motorists, pedestrians and cyclists with these temporary night-time changes to traffic.
