

## **Notification – St Marys**

11 November 2022

Sydney Metro is Australia's biggest public transport project.

Sydney Metro – Western Sydney Airport is the new metro railway line which will service Greater Western Sydney and the new Western Sydney International (Nancy-Bird Walton) Airport. A city-shaping project, the 23-kilometre new railway will connect the Western Sydney Aerotropolis in the south with St Marys in the north – where customers can connect to the existing Sydney Trains suburban T1 Western Line. The NSW and Australian governments have a shared objective of having Sydney Metro – Western Sydney Airport operational when the airport opens for passenger services.

### **Construction of a new Sydney Metro – Western Sydney Airport Site Office**

In December 2022 Sydney Metro – Western Sydney Airport will start construction of a new site office at St Marys. The site office will be used by the project team for the duration of the project.

To commence site establishment work, **the Harris Street at-grade commuter car park will permanently close from Friday 18 November 2022**. Commuters will no longer be able to use this car park. Parking is available in the adjacent multi-storey commuter car park on Harris Street.

Work will be completed during standard construction hours **Monday to Friday 7am to 6pm** and **Saturday 8am to 1pm**. Residents and businesses will be notified in advance of any out-of-hours work. Please see map overleaf to inform work locations.

#### **Work will include:**

- Setting up temporary fencing around the site
- Installing signage around the at-grade car park.

#### **What to expect:**

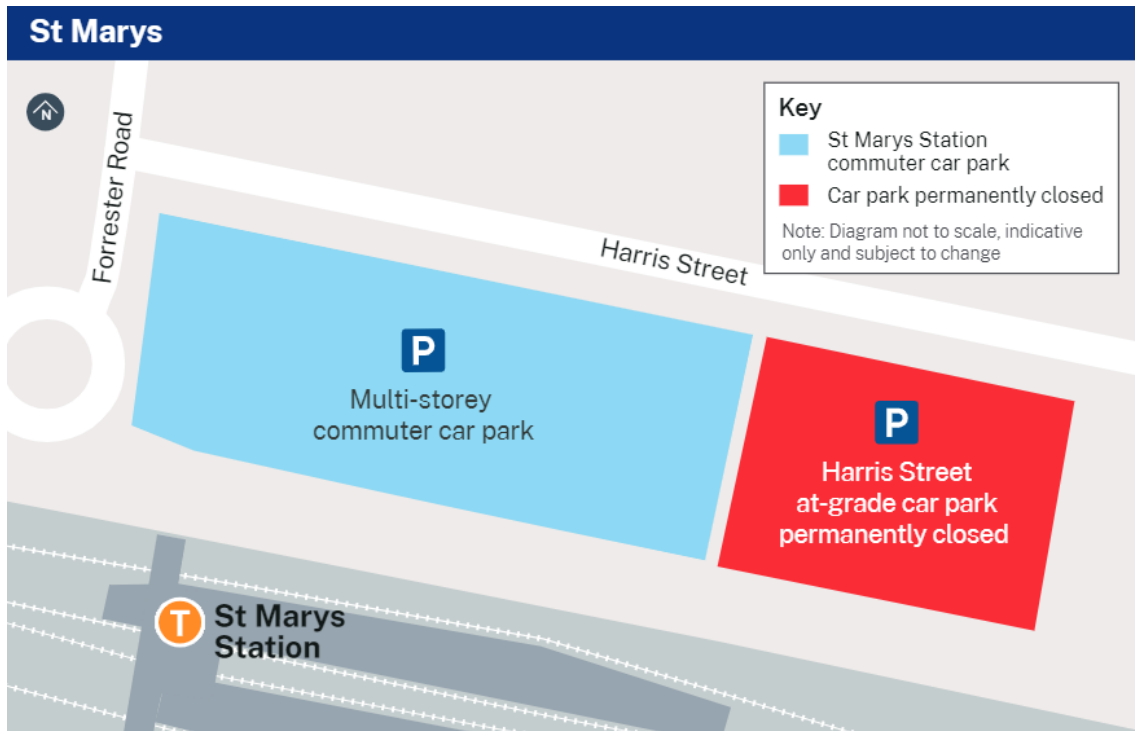

- Increased vehicle movements in and around site
- Some activities will generate noise, vibration and dust. Mitigation measures will be in place to minimise these impacts
- Access for motorists and pedestrians along Harris Street will be maintained.

#### **Other parking nearby:**

Transport for NSW has recently delivered an additional 250 parking spaces to the multi-storey commuter car park adjacent to the work site. We recommend commuters use this parking at St Marys Station.

#### **Changes to traffic, pedestrian and cyclist routes:**

During the work, traffic control will be in place to assist motorists, pedestrians and cyclists with any changes to traffic conditions.

### Contact us:

Your local Place Manager for Sydney Metro – Western Sydney Airport is Chanelle. Chanelle will be your main contact for questions and enquiries regarding the project and can be contacted on **1800 717 703**.

If you'd like to receive these updates by email, please contact Chanelle who can add you to the distribution list. Our email is [sydneymetrowsa@transport.nsw.gov.au](mailto:sydneymetrowsa@transport.nsw.gov.au). Thank you for your cooperation while we complete these essential works.
