

Notification – Construction update

2 February 2023

Sydney Metro is Australia's biggest public transport project.

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, with a target travel time of about 20 minutes between the two centres.

Stations have been confirmed at Westmead, Parramatta, Sydney Olympic Park, North Strathfield, Burwood North, Five Dock, The Bays, Pyrmont and Hunter Street in the Sydney CBD.

Groundwater monitoring: Pyrmont

During our geotechnical work we installed groundwater monitoring wells to help us understand the depth and content of groundwater in this area. From street level these appear as a small metal cover in the road or nature strip.

Groundwater monitoring on Saunders Street is now complete and we will be decommissioning the groundwater monitoring well. This work will take a few hours and take place in the parking lane.

Weather and site conditions permitting, work will be carried out on:

- **Thursday 9 February**, between 8am to 6pm

Equipment used:

Equipment used for this work may include but is not limited to: pumps, light vehicles, support truck and a generator.

Work will involve:

- Establishing a temporary site and setting up traffic management to maintain traffic flow
- Pumping out any water from the well
- Filling monitoring well with grout

What to expect:

- Traffic control and directional signage will be used for the safety of works and the community
- Access to pathways and buildings will be maintained at all times
- Parking may be temporarily restricted in some locations

Contact us:

Sydney Metro recognises that our work will have impacts and wherever possible we will work with the community to mitigate these impacts. We will continue to keep you updated on the progress of works in your area. Sydney Metro has launched Sydney Metro Connect – a new way to stay informed. You can download Sydney Metro Connect on the App Store or get it on Google Play.

Your local Place Manager, Kelly will be your main contact for questions and enquiries regarding the project and can be contacted on 1800 612 173.

If you would like to receive these updates via email, please contact Kelly who can add you to the distribution list. Our email is: sydneymetrowest@transport.nsw.gov.au

Thank you for your cooperation while we complete these essential works.
