

## Notification – The Bays, Rozelle

24 March 2023

### Sydney Metro is Australia's biggest public transport project.

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, with a target travel time of about 20 minutes between the two centres.

Sydney Metro has been granted planning approval to construct twin underground rail tunnels between Westmead and Hunter Street in the Sydney CBD for Sydney Metro West. Acciona Ferrovial Joint Venture (AFJV) has been awarded the contract to deliver 11 kilometres of twin metro rail tunnels between The Bays and Sydney Olympic Park and excavate five new metro stations, including a station at The Bays.

### Out-of-hours work update: Robert Street, Rozelle

AFJV is carrying out utility installation work along Robert Street. **Lane closures and detours are in place to facilitate the work.** Some of this work must occur outside standard construction hours to minimise impacts on traffic and to ensure the safety of motorists, pedestrians and workers.

Night work on Robert Street and the corner of Crescent Street was previously notified to occur between **8pm and 5am on Sunday, Monday and Wednesday nights until Wednesday 29 March**. Please note due to harder than expected ground conditions encountered this work is progressing slower and will have to continue on **Sunday, Monday and Wednesday nights until Wednesday 19 April 2023**, with the exception of **Sunday 9 and Monday 10 April 2023**.

#### Night work will include:

- Saw cutting the road surface
- Excavating a trench (will be covered at the end of each shift)
- Installing new pipes to connect to the existing watermain
- Cleaning and testing the watermain
- Backfilling the trench and reinstating the road surface

#### What to expect:

- Noise blankets will be used to minimise disturbance
- Saw cutting and hammering work will occur intermittently through the shift
- There will be no disruption to supply of utility services
- There will be no access to Crescent Street from Robert Street during the night work
- There will be lane closures on Robert Street during the night work and vehicles will not be able to turn into Robert Street from Victoria Road. A detour will be in place via Darling Street and minor traffic delays may be experienced (see map overleaf)
- Access will be maintained to all properties and businesses
- Five car parking spaces on Crescent Street will be temporarily removed
- The bus stop on the northern side of Robert Street will not be operational during the night work only. An alternative bus stop is located on Mullens Street (see map overleaf).

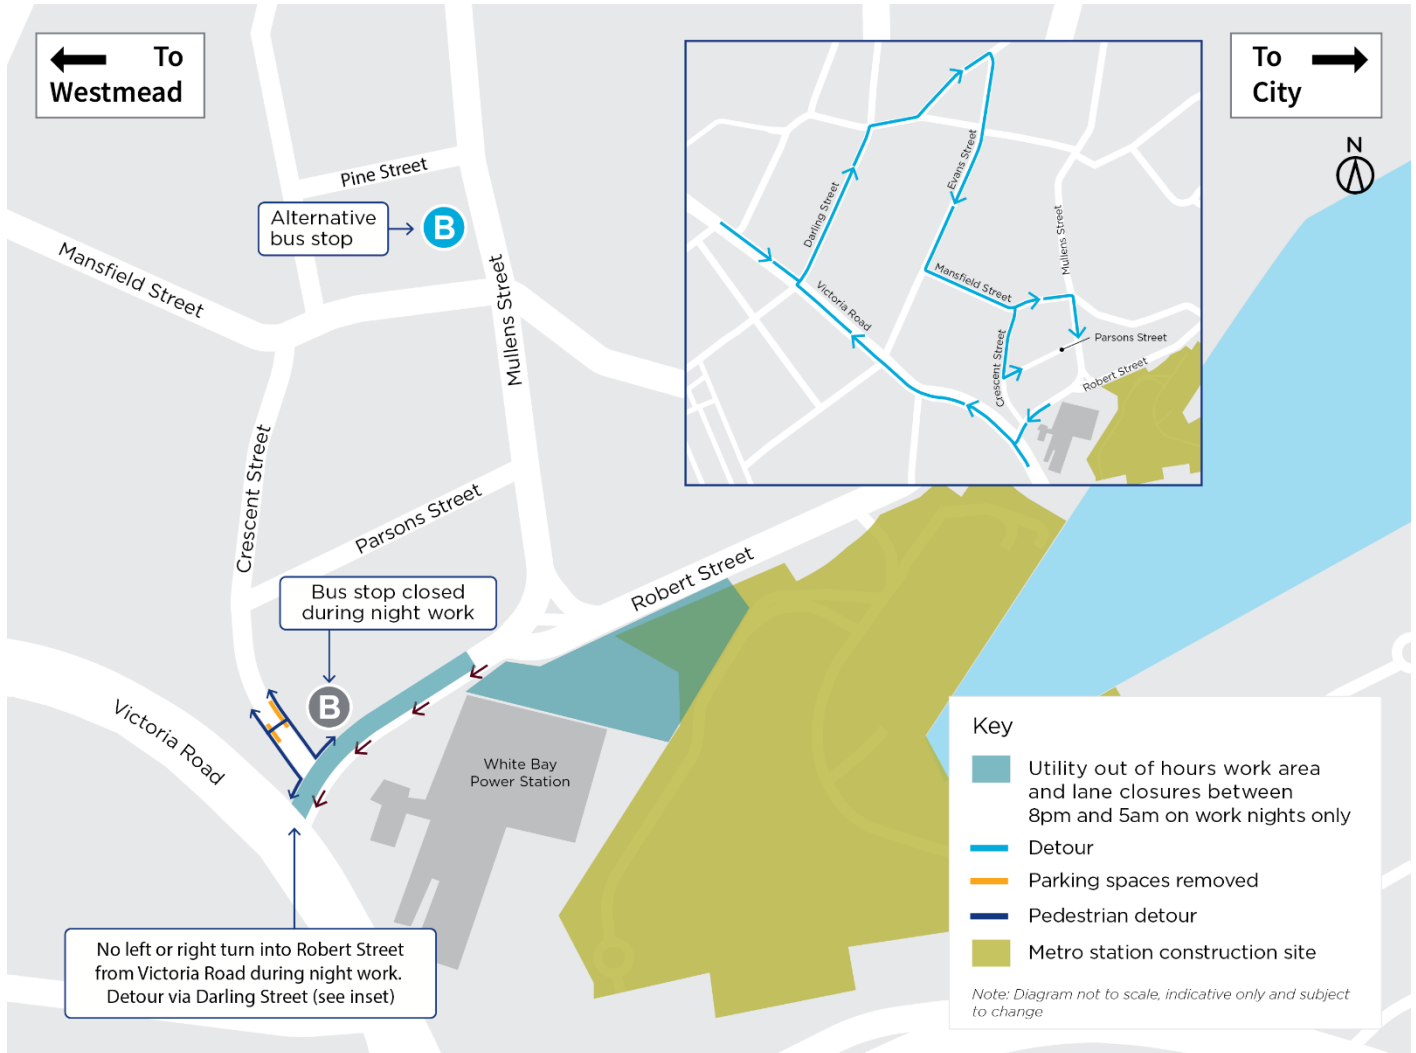

#### Equipment used:

Equipment used for this work includes but is not limited to: trucks, light vehicles, road saw, jackhammer, vacuum trucks, bobcat, hammer drills, excavator with hammer attachment, concrete trucks, drill rig, compactor, roller, generator, vibration plate, lighting tower and hand tools.

## Changes to traffic, pedestrian and cyclist routes:

Temporary lane closures and detours will be in place on Robert Street during the night work (see map below). Access to Crescent Street from Robert Street will be closed off during the night work only. Traffic control will be in place to assist motorists, pedestrians and cyclists with these temporary night-time changes to traffic.

### Robert Street night work area

### Contact us:

Please contact Kim from the AFJV community team on **1800 612 173** if you have any questions, complaints or would like to provide feedback about the work, including appropriate respite periods. AFJV's Community Communications Strategy is available online at [acciona.com.au/sydney-metro-west-ctp](http://acciona.com.au/sydney-metro-west-ctp) (plans). If you would like to provide feedback on this plan, please contact the AFJV community team.

We will continue to keep you updated on the progress of work in your area. If you would prefer to receive updates by email, please send a request to [metrotunnelsAFJV@transport.nsw.gov.au](mailto:metrotunnelsAFJV@transport.nsw.gov.au) and we will add you to the distribution list. Sydney Metro has launched Sydney Metro Connect – a new way to stay informed. You can download Sydney Metro Connect on the App Store or get it on Google Play.

Thank you for your cooperation while we complete this essential work.
