

## Notification – Construction update

6 March 2023

### Sydney Metro is Australia's biggest public transport project.

The NSW Government is delivering Sydney Metro West - a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, with a target travel time of about 20 minutes between the two centres. Sydney Metro was granted planning approval to construct twin underground rail tunnels between Westmead and The Bays for Sydney Metro West in March 2021.

### Line marking – Mullens Street & Robert Street

Line marking to complete recent road restoration work on Mullens Street (between Mansfield Street and Robert Street) and Robert Street (between Mullens Street and Buchanan Street) is scheduled to take place Monday 13 March, weather permitting.

Due to road authority requirements, this work must be undertaken out-of-hours between 7pm and 5am. In the event of unforeseen circumstances or poor weather conditions, work will take place on the next available night/s.

Parking will be temporarily removed prior to the commencement of work and re-instated as work progresses along the street. Alternate parking is available **on surrounding streets in the area.**

### Work will involve

- Establishing temporary traffic controls
- Road line marking

### What to expect

- Machinery and equipment operating onsite
- Increased light vehicle movements in the area
- This work will generate noise and vibration, the team will minimise impacts where possible
- Temporary removal of parking during the construction period
- Temporary lane closures during the construction period
- Pedestrian access to buildings and footpath will be maintained at all times.

### Equipment used

Equipment used will include but not be limited to light vehicles and personnel carrying line marking equipment.

### Changes to traffic pedestrian and cycle routes – Traffic changes

During the work, changes to traffic conditions for pedestrians, cyclists, parking, and motorists will be required and include stop-slow traffic controls. Please allow for extra time when travelling while construction work is taking place. Traffic controllers will be in place to assist motorists, pedestrians, and cyclists.
