

Notification – Utility work

23 June 2023

Sydney Metro is Australia's biggest public transport project

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, with a target travel time of about 20 minutes between the two centres.

Sydney Metro has been granted planning approval to construct twin underground rail tunnels between Westmead and Hunter Street in the Sydney CBD for Sydney Metro West. John Holland CPB Contractors Ghella Joint Venture (JCG) has been awarded the contract to deliver 3.5 kilometres of twin metro rail tunnels between The Bays and Hunter Street and excavate the Pyrmont and Hunter Street metro stations.

Upcoming utility investigations

JCG will be undertaking utility investigations on Pyrmont Bridge Road, Union Street and Darling Drive as part of investigations for Sydney Metro West.

Due to busy day traffic conditions. Work activities will be completed out of hours between **6pm and 5am** on **Friday 30 June** and **Sunday 2 July 2023**. Please see map over the page for locations of our work.

Work will involve:

- Setting up of traffic management near locations to maintain traffic flow
- Temporary disruption to roads and footpaths
- Use of vacuum truck to remove water from pits
- Using hand tools to test cables

What to expect:

- Temporary lights will be set up and directed at the site for safety purposes
- There will be some intermittent noise
- Access to pathways and buildings will be maintained at all times
- Parking may be temporarily restricted in some locations
- Traffic control and directional signage may be used for the safety of works and the community

Equipment used

Equipment used for works include but is not limited to vacuum truck, hand tools, heavy vehicles, traffic management and signage.
