

Notification – Wiley Park

August 2023

Sydney Metro is Australia's biggest public transport project.

Sydney Metro is revolutionising how Australia's biggest city travels, connecting Sydney's north west, south west and greater west to fast, reliable turn-up-and-go metro services with fully accessible stations.

Passenger services from Chatswood to Sydenham will commence in 2024.

In August, work will continue along the corridor and at Wiley Park Station (weather and site conditions permitting). Work will be undertaken during standard construction hours, Monday to Friday 7am-6pm and Saturday 8am-6pm. You may also notice an increase in plant and materials moving in and out of our sites as station contractors complete their scope along the alignment.

Location	Details of work during standard construction hours (daytime)
Wiley Park (along the rail corridor)	<ul style="list-style-type: none"> • Various site investigations, surveys and associated activities • De-vegetation and tree clearing throughout the rail corridor where required • Delivery of plant and material including preparatory activities for out-of-hours work • Securing galvanised steel troughing lids • Testing and jointing cables • Fitting and strapping covers to galvanised steel troughing along rail corridor
Wiley Park Station	<ul style="list-style-type: none"> • Defect rectification work • Rectification of tactiles on platforms • Testing and commissioning activities • Additional fencing work at Metro Services Building • Installation of brackets on station platform • Ongoing termination work at the Metro Services Building • Local cabling for padmounts

Out-of-hours work

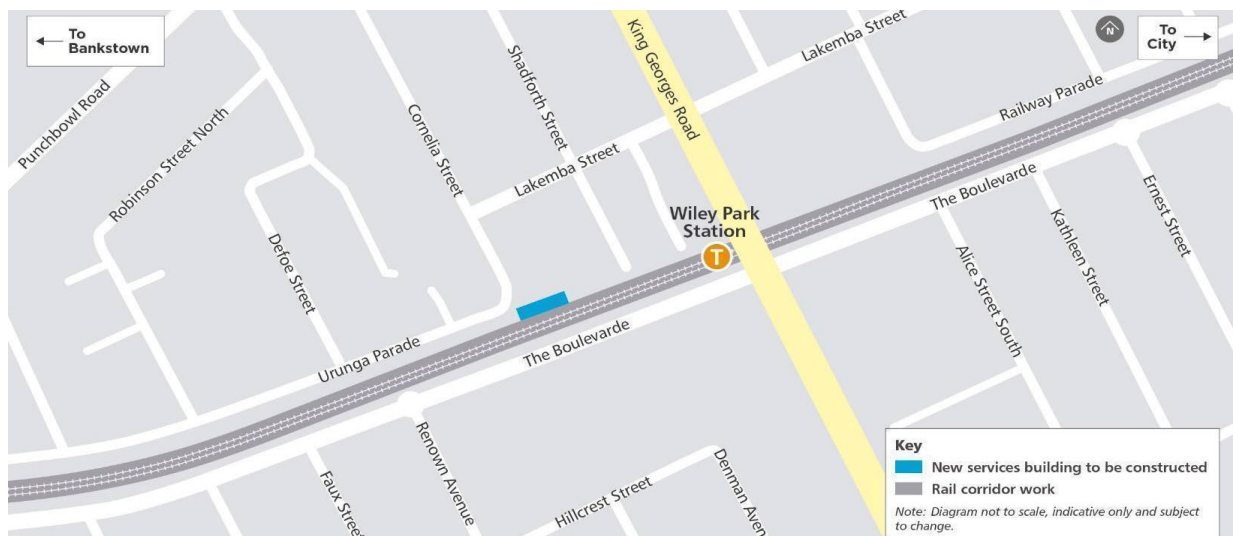

Due to the nature of some activities and for the safety of workers, some work will occur outside standard construction hours, when trains are not running. Some equipment will also be delivered outside standard construction hours in line with Transport for NSW requirements for the movement of oversized vehicles. Properties close to scheduled work will be notified prior to work starting. Planned out-of-hours work is detailed in the table below.

Date / Time	Details of out-of-hours work
Upcoming rail possession: Friday 25 August to Sunday 27 August	<ul style="list-style-type: none"> • Defect rectification work • Metro services building testing and commissioning • De-vegetation and tree clearing throughout the rail corridor where required • Delivery of plant and material including preparatory activities for upcoming out-of-hours work • Installation of brackets on station platform • High voltage cabling in the rail corridor • Cabling and other electrical installation work at substations • Voltage limiting device negative cabling work
Mid-week between 6pm and 7am (for no more than 3 nights per week)	<ul style="list-style-type: none"> • De-vegetation and tree clearing throughout the rail corridor where required • Delivery of plant and materials • Fitting and strapping covers to galvanised steel troughing along rail corridor

Equipment being used

Equipment used for the work will include heavy machinery (including but not limited to excavators, jack hammers, vacuum trucks, hi-rail vehicles, slashers, motorised saws, concrete trucks, elevated work platforms, concrete pumps, cranes, cable pulling equipment, road sweeper, compactors, lighting towers, forklifts, chainsaws, and water carts), and hand and power tools.

Access to buildings and driveways will be maintained at all times. Some of this work may be noisy, however we will take every possible step to minimise noise such as switching off equipment when not in use and using non-tonal reversing beepers.

Keeping you informed

You can contact us on **1800 171 386** (24 hour community information line). If you have questions about the **substations** please ask for **Grace/Alana** or email LinewideMetro@transport.nsw.gov.au. For all other work please ask for **Julie** or email SouthwestMetro@transport.nsw.gov.au.

Thank you for your cooperation while we complete this essential work.
