

Notification – Orchard Hills

1 December 2023 to 31 January 2024

Sydney Metro is Australia's biggest public transport project.

Sydney Metro – Western Sydney Airport is the new metro railway line which will service Greater Western Sydney and the new Western Sydney International (Nancy-Bird Walton) Airport. A city-shaping project, the 23-kilometre new railway will connect the Western Sydney Aerotropolis in the south with St Marys in the north – where customers can connect to the existing Sydney Trains suburban T1 Western Line. The NSW and Australian governments have a shared objective of having Sydney Metro – Western Sydney Airport operational when the airport opens for passenger services.

CPB Contractors and United Infrastructure Joint Venture (CPBUI JV) are completing the surface and civil alignment works contract for Sydney Metro – Western Sydney Airport.

Work in December 2023 and January 2024 will include:

- Earthworks for the track alignment between Lansdowne Road and the Warragamba Pipelines
- Viaduct piling and construction of piers and support beam along the project alignment south of Lansdowne Road to the Warragamba Pipelines
- Construction of access road south of Lansdowne Road
- Stormwater drainage installation and basin construction
- Box culvert installation north of the Warragamba Pipelines
- Revegetation of completed areas along the surface alignment
- Installation of permanent barriers and fencing
- Transportation of excess spoil material from the project site
- Deliveries and placement of oversized infrastructure and sandstone material for the track alignment
- Fortnightly aerial land surveys of the surface alignment to inform the construction design and planning of the project.

What to expect:

- Work will be completed during standard construction hours **Monday to Friday, 7am to 6pm** and **Saturday, 8am to 1pm**. Nearby residents and businesses will be notified in advance of any likely out-of-hours work
- An increase in heavy vehicles entering the project alignment site via Patons Lane off Luddenham Road and Lansdowne Road
- Surveying works will occur from a vehicle-mounted camera, surveyor on foot with a camera and tripod, and a drone to capture aerial data from construction sites
- Increased vehicle movements on surrounding roads
- Please refer to the map on page three showing the work location.

Out-of-hours work:

The project team may carry out concrete pours inside the Orchard Hills site area up to **10pm Monday to Friday**. This work is not expected to be noisy. If this occurs, we will contact directly impacted residents.

If you have any questions or would like to provide feedback regarding this out-of-hours work, please call our 24 hours community information hotline on **1800 717 703** or email sydneymetrowasa@transport.nsw.gov.au.

Equipment used:

Equipment for this work includes but is not limited to hand tools, mobile drill rig, excavator, backhoe, trucks, vacuum truck, portable toilets, temporary shipping containers, light and heavy vehicles, water carts, grass slasher, surveying drone and drone remote control.

Changes to traffic, pedestrian, and cyclist routes:

During the work, traffic controllers and signage will be in place to assist motorists, pedestrians, and cyclists safely around work areas. Access to driveways and buildings will be maintained at all times.

Happy holidays

The project team will not be working from **Saturday 23 December 2023 to Sunday 7 January 2024**. During the shutdown period, all project sites will be locked. Project staff will continue to carry out security checks.

We wish our neighbours a safe and happy holidays.

Detailed Noise and Vibration Impact Statement (DNVIS) for the area has been prepared including proposed mitigation measures as a result of noise modelling. We invite your feedback if alternative measure may be required for your specific circumstances. CPBUI's Community Communication Strategy is available online at www.cpbcontractors.cc/SCAWstrategy (community). To provide feedback on the plan, please contact the CPBUI community team on **1800 717 703** or sydneymetrowasa@transport.nsw.gov.au.

Thank you for your cooperation while we complete this essential work.
