

Notification – St Marys Station footbridge

January 2025

Transport for NSW is delivering a new footbridge and northern plaza at St Marys Station as part of the Sydney Metro – Western Sydney Airport project

What work are we doing?

Recently, you received a notification outlining work scheduled for December 2024 and January 2025. Subject to approvals and weather conditions, we would like to extend work hours to be between **6am** to **8pm** each day from **Monday 13 January** to **Friday 17 January 2025** to finish concrete work on the station platforms.

Key activities include:

- setting up the concrete pump and trucks in the Harris Street site compound
- setting up concrete work areas on the station platforms
- pouring of concrete
- removing construction equipment and cleaning up work areas.

What to expect:

- Workers and vehicles in and around the site compound on Harris Street between **6am** and **8pm** each day from **Monday 13 January** to **Friday 17 January 2025**.
- Traffic control and signage, as required.

- There will be an increase in noise and vibration from machinery and equipment operating behind the construction hoarding on all platforms and within the site compound on Harris Street.

Managing our impacts:

We are committed to managing our work in a way that minimises impacts on the community and the environment. The site compound has been designed to reduce disruption as much as possible.

To minimise noise, we will turn off machinery when not in use and install temporary noise barriers where feasible.

Equipment to be used:

Equipment includes excavators, concrete trucks, pumps, concrete vibrators, and hand tools.

When and where we'll be working:

The work will be carried out between **6am and 8pm** each day from **Monday 13 January** to **Friday 17 January 2025**.
