

Notification – St Marys Station footbridge

May 2025

Transport for NSW is delivering a new footbridge and northern plaza at St Marys Station as part of the Sydney Metro – Western Sydney Airport project.

Work activities in May

- lifting in new footbridge concrete beams across the train tracks and constructing new stairways
- excavating and installing utility services, such as water and sewer on Harris Street and near the multi-storey car park (up to 10 parking spaces will be temporarily unavailable during this work)
- delivering and removing materials and equipment via Hobart Street, Harris Street, Glossop Street, and Forrester Road
- continuing electrical, hydraulic, excavation and concrete work on all station platforms and within the Harris Street work area
- oversized deliveries to and from the Harris Street work area that will need temporary removal of up to 10 parking spaces before, during, and following the weekends of **3 - 4 May** and **31 May - 1 June**.

What to expect

- workers and vehicles in and around work sites, laydown areas, and station platforms
- traffic control and signs as needed
- construction equipment in use including excavators, saw cutters, trucks, cranes, concrete pumps, power tools, and survey equipment.

When and where we'll be working

Standard working hours are **7am to 6pm, Monday to Friday**, and **8am to 1pm on Saturdays**.

Please refer to the map showing our work areas and parking impacts.

In May, some work will take place continuously during scheduled Sydney Trains trackwork weekends. Work is planned from:

- **1am Saturday 3 May to 4am Monday 5 May**
- **1am Saturday 31 May to 4am Monday 2 June.**

Key activities will include installing the footbridge concrete beams and stairs, and concrete work on all platforms.

We will also be working extended hours from **7am to 3pm on Saturday 10 May, Saturday 17 May and Saturday 24 May.**

Managing our impacts

We aim to minimise impacts on the community and environment by:

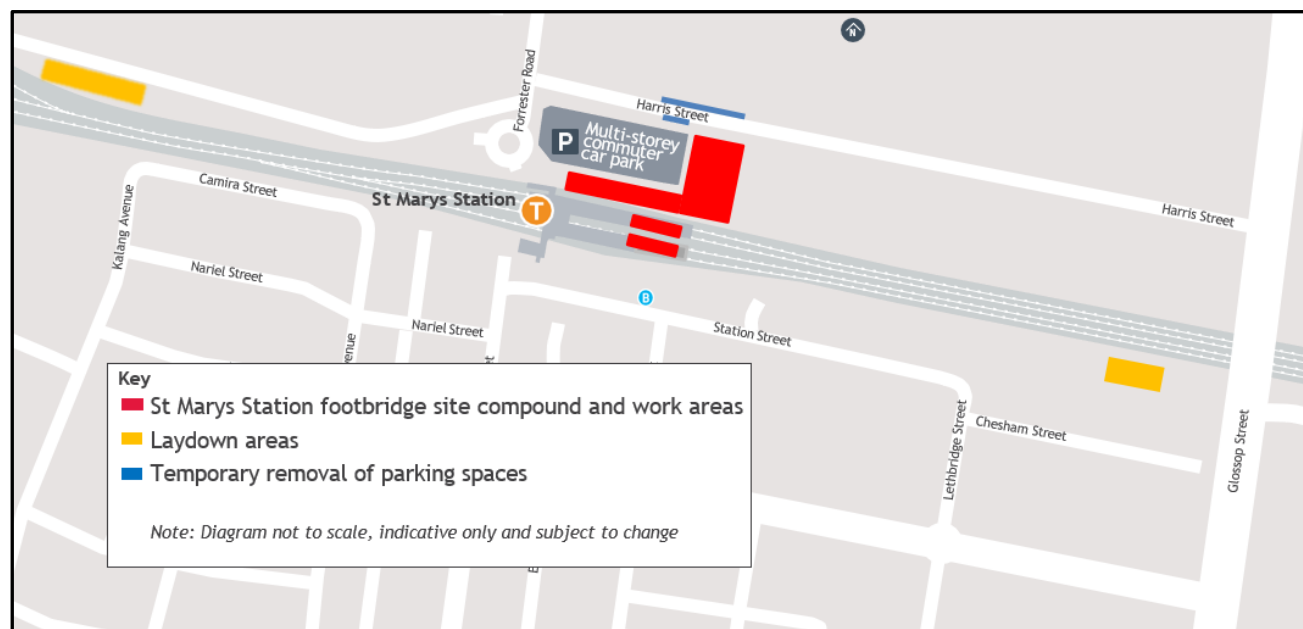

- installing safety and security fencing around our work areas
- reducing noise by turning off machinery when not in use and using noise barriers where we can.

Planned work outside of standard hours over the next three months

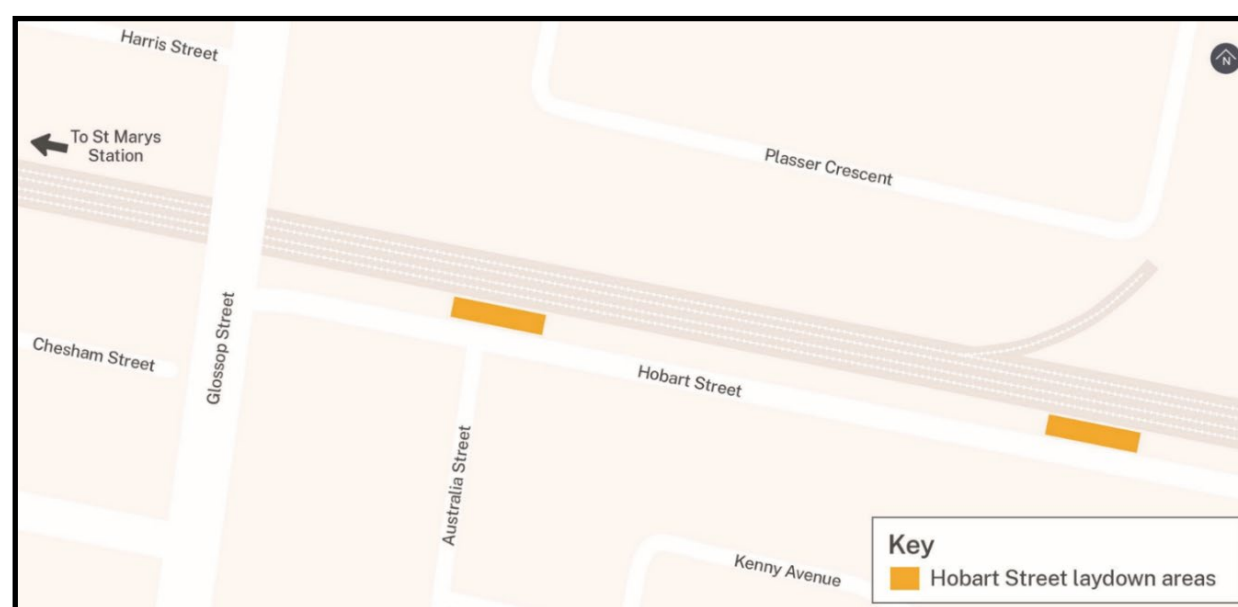

Planned activities (subject to approval) include excavation, concrete, electrical and hydraulic work on the following dates:

- Saturday 14 June to Monday 16 June
- Saturday 21 June to Monday 23 June
- Saturday 5 July to Monday 7 July
