

Notification – St Marys Station footbridge

July 2025

Transport for NSW is delivering a new footbridge and northern plaza at St Marys Station as part of the Sydney Metro – Western Sydney Airport project.

Work activities in July

- lifting in new footbridge concrete beams across the train tracks
- excavating and installing utility services, such as water and sewer on Harris Street and near the multi-storey car park (up to 10 parking spaces will be temporarily unavailable during this work)
- delivering and removing materials and equipment via Hobart Street, Harris Street, Glossop Street, and Forrester Road
- continuing electrical, hydraulic, excavation and concrete work on all station platforms and within the Harris Street work area.

What to expect

- workers and vehicles in and around work sites, laydown areas, and station platforms
- traffic control and signs as needed
- construction equipment in use including excavators, saw cutters, trucks, cranes, concrete pumps, power tools, and survey equipment.

When and where we'll be working

Standard working hours are **7am to 6pm, Monday to Friday**, and **8am to 1pm on Saturdays**.

In **July**, work to install more concrete beams will take place continuously during a planned Sydney Trains trackwork weekend from **1am Saturday 5 July to 4am Monday 7 July**.

Subject to approvals, we will be working extended hours from:

- **6pm to 7am** between **Tuesday 1 July** and **Friday 4 July**
- **7am to 3pm** on **Saturday 12 July**, **Saturday 19 July** and **Saturday 26 July**
- **6pm to 7am** between **Monday 14 July** and **Tuesday 29 July**.

Material deliveries will also occur between **6pm** and **12am** on **Friday 4 July**.

Please refer to the map on the next page showing our work areas and parking impacts.

Managing our impacts

We aim to minimise impacts on the community and environment by:

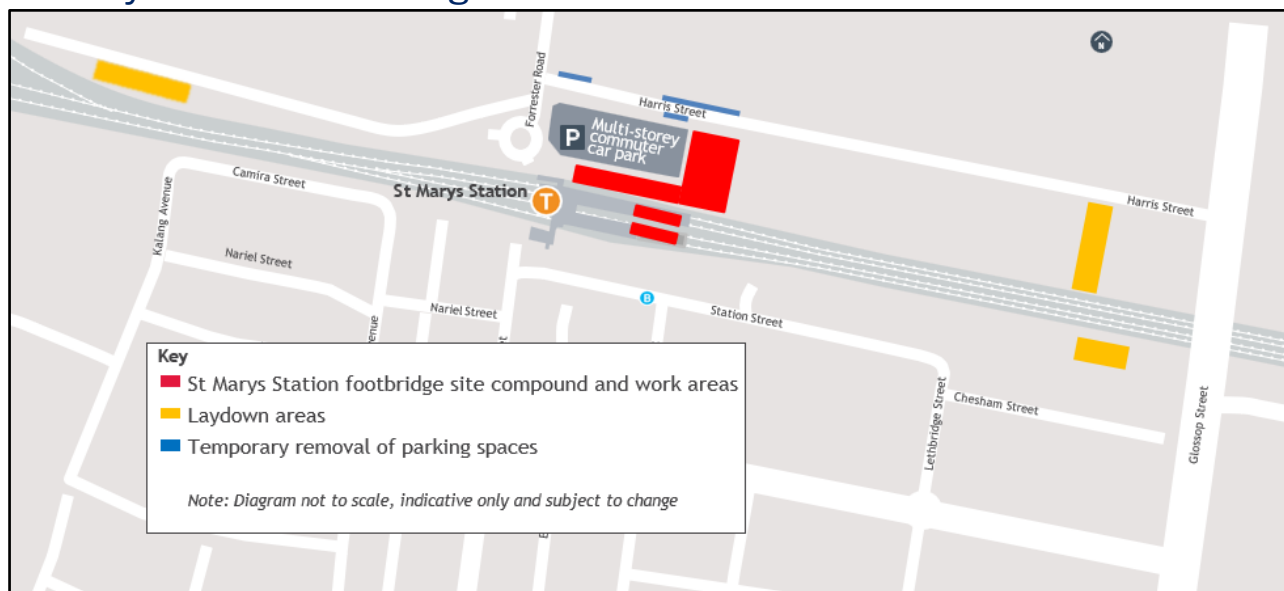

- installing safety and security fencing around our work areas
- reducing noise by turning off machinery when not in use and using noise barriers where we can.

Planned work outside of standard hours over the next three months

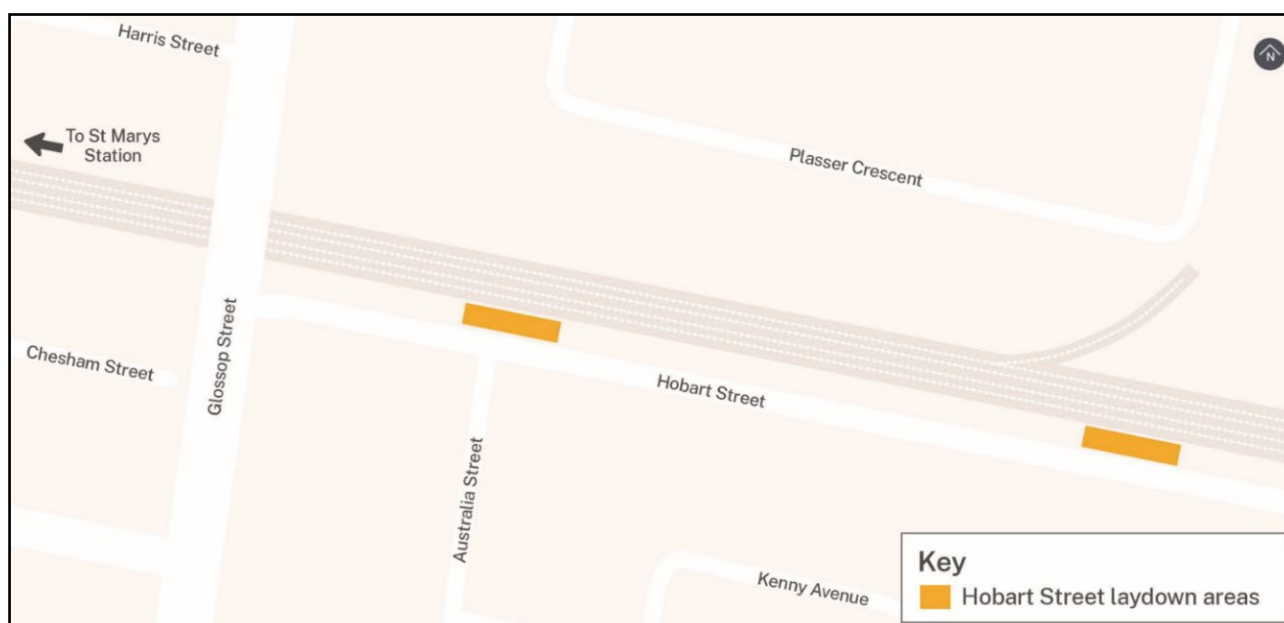

Planned activities (subject to approval) include excavation, structural steel, concrete, electrical and hydraulic work on the following dates:

- Saturday 6 September to Monday 8 September
- Saturday 27 September to Monday 29 September
- Saturday 11 October to Monday 13 October
- Saturday 25 October to Monday 27 October.
