

Notification – Changed traffic conditions on Edward Street, Pyrmont

August 2025

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, transforming Sydney for generations to come.

Stations have been confirmed at Westmead, Parramatta, Sydney Olympic Park, North Strathfield, Burwood North, Five Dock, The Bays, Pyrmont and Hunter Street in the Sydney CBD.

We recently notified you about traffic changes required on Edward Street between Union Street and Pyrmont Bridge Road. This closure has been postponed and will now take place between **7am and 6pm on Sunday 10 August 2025**.

During this time, Edward Street (between Union Street and Pyrmont Bridge Road) will be reduced to one lane northbound, and southbound traffic flow and parking will also be temporarily unavailable.

These changed traffic conditions are required to safely facilitate a corporate event at our Pyrmont East site scheduled between approximately 8am and 4pm.

More information on upcoming community events at Pyrmont will be provided via letterbox and email.

Activities will involve:

- Temporary adjustments to barriers and site boundary hoarding
- Installing and implementing traffic management (including cones, boom gates and barriers)
- Increased presence of traffic control, workers and Project related staff
- Regular truck movements to and from Pyrmont East and West sites.

What to expect

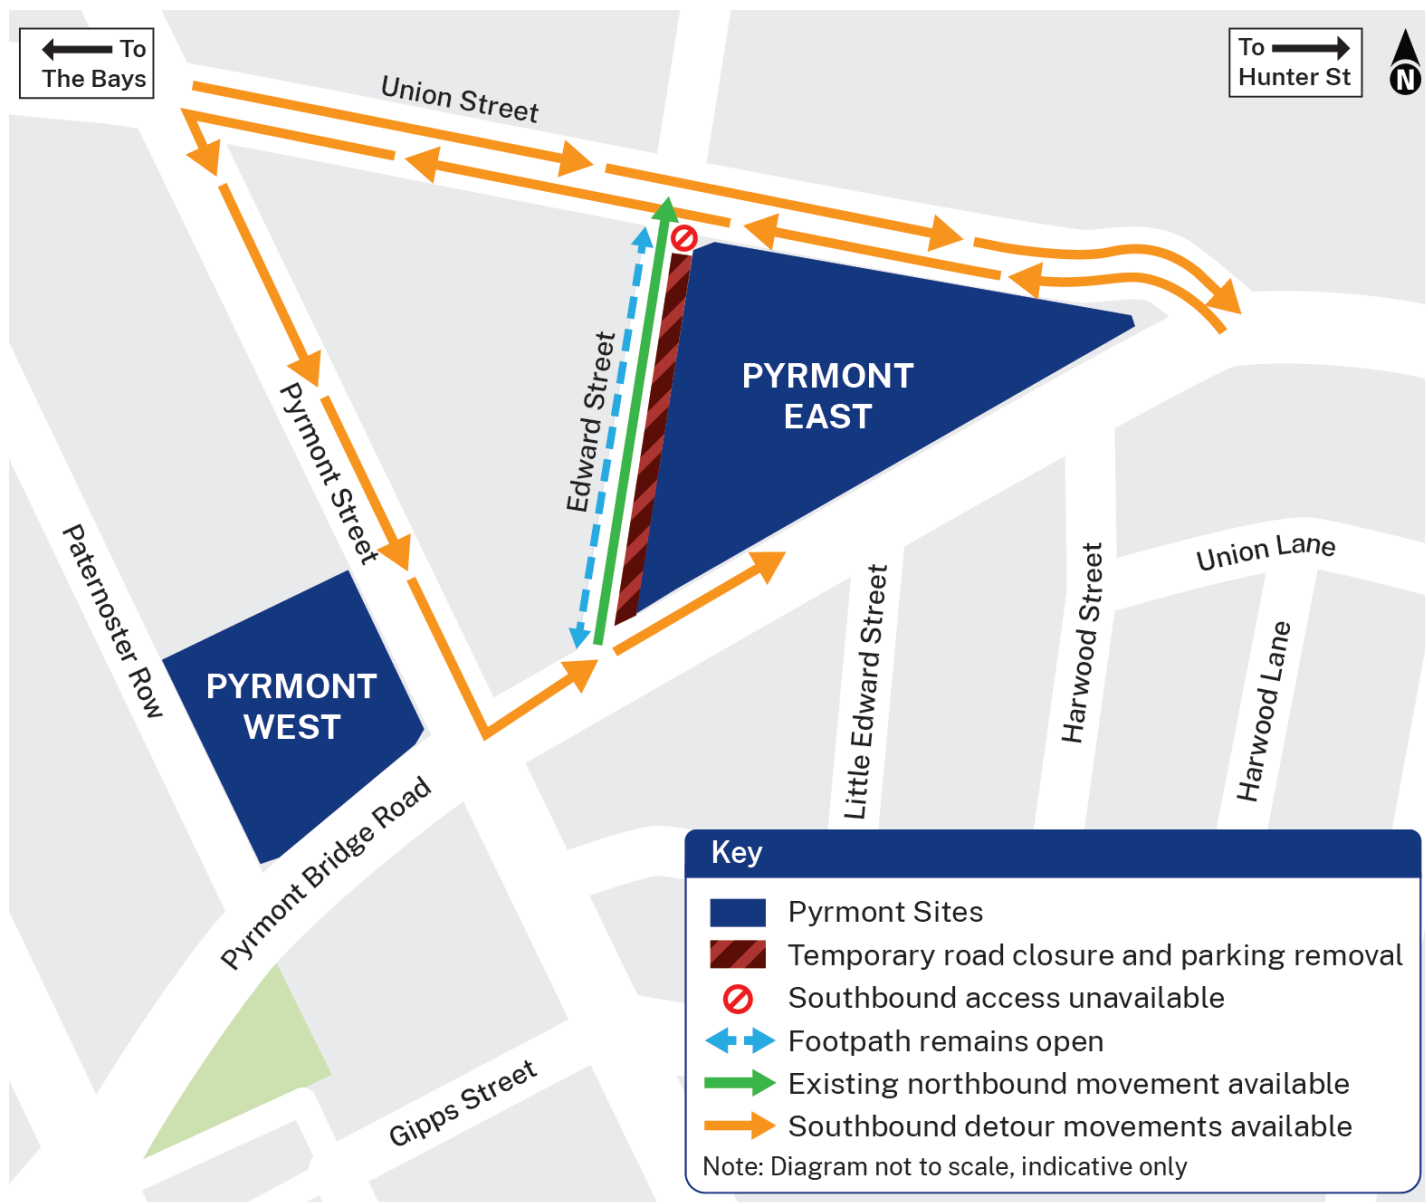

You may notice periods of increased noise, vehicle movements and worksite lighting. Please allow extra travel time, follow the direction and signage of traffic control.

Contact us

Please contact JCG Community team on **1800 612 173** if you have any questions or would like to provide feedback about the work.

We will continue to keep you updated on the progress of work in your area. If you would prefer to receive updates by email, please send a request to **MetroTunnelsJCGJV@transport.nsw.gov.au** and we will add you to the distribution list.
