

# Notification – St Marys Station footbridge

October 2025

Transport for NSW is delivering a new footbridge and northern plaza at St Marys Station as part of the Sydney Metro – Western Sydney Airport project

## Work activities in October

- installing escalators, steel structures, roofing for the new footbridge and canopies on the station platforms
- installing drainage, electrical and other utility services
- excavating and installing utility services, such as water and sewer on Harris Street and near the multi-storey car park
- delivering and removing materials and equipment via Hobart Street, Harris Street, Glossop Street, and Forrester Road
- delivering and installing precast building panels.

## What to expect

- two accessible parking spaces in the commuter car park will be temporarily unavailable to construct a new kerb ramp and other related work
- up to 30 parking spaces will be temporarily unavailable on Harris Street for utility and weekend work
- construction equipment in use including excavators, saw cutters, trucks, cranes, concrete pumps, light towers, power tools, and survey equipment.

## When and where we'll be working

Standard working hours are **7am to 6pm, Monday to Friday**, and **8am to 1pm on Saturdays**.

In **October**, work on the new footbridge and station platforms will take place continuously during the following planned Sydney Trains trackwork weekends:

- **1am Saturday 11 October to 7am Monday 13 October**
- **1am Saturday 25 October to 7am Monday 27 October.**

Subject to approvals, we will be working extended hours from:

- **6pm to 7am between Wednesday 1 October and Friday 31 October** (up to two weeknights per week)
- **7am to 3pm on Saturday 4 October and Saturday 18 October.**

Building material and equipment will be delivered to our work areas between **6pm and 6am** on **weeknights** from:

- **Wednesday 8 October to Monday 13 October**
- **Wednesday 22 October to Monday 27 October.**

## Managing our impacts

We aim to minimise impacts on the community and environment by:

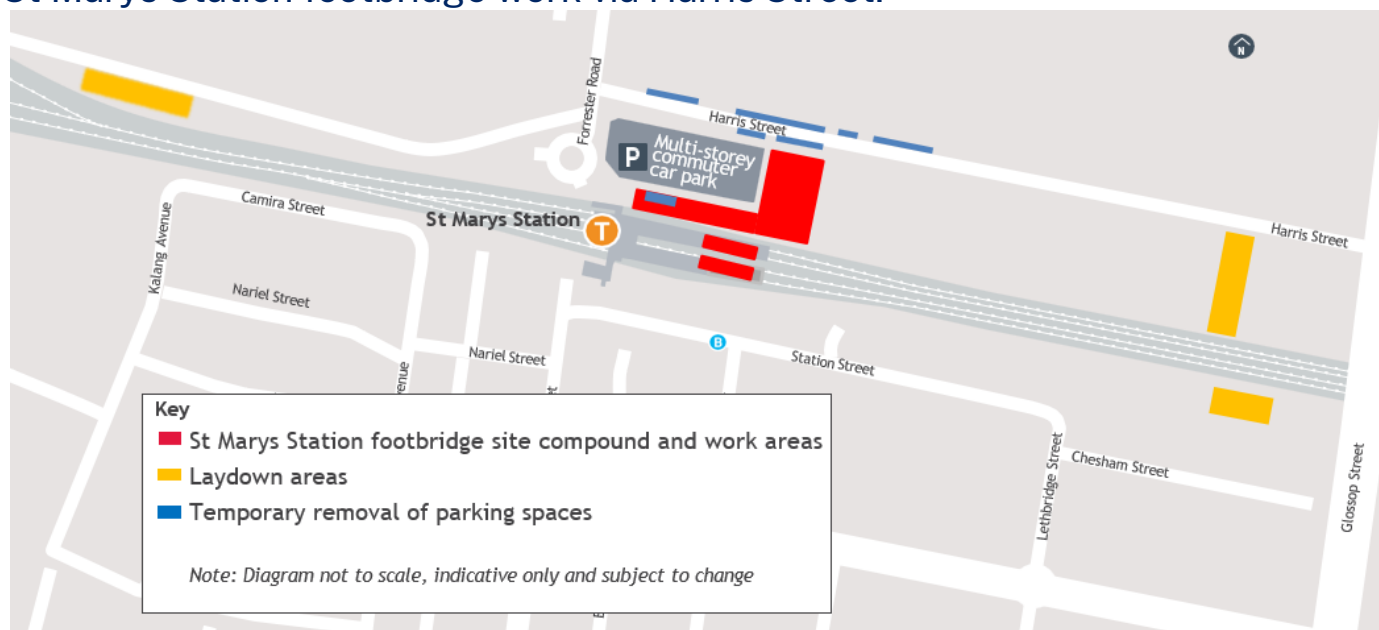

- installing safety and security fencing around our work areas
- reducing noise by turning off machinery when not in use
- managing vehicle and pedestrian access with traffic control and signs.

## Planned work outside of standard hours over the next three months

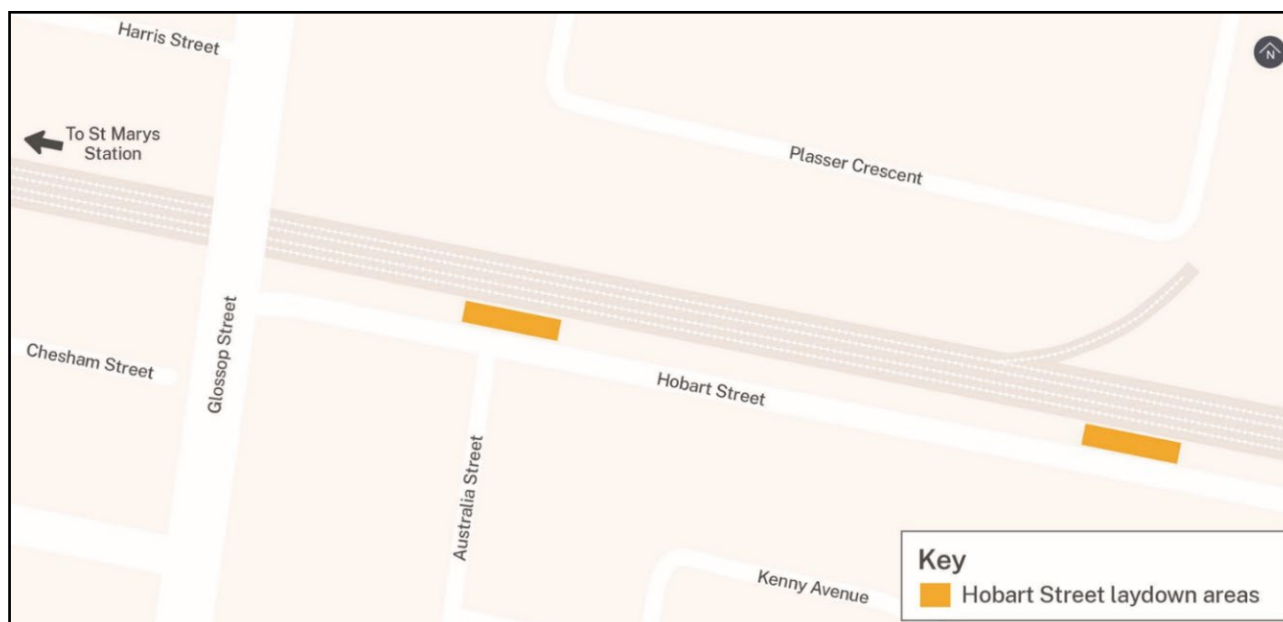

Planned activities (subject to approval) include excavation, structural steel, concrete, electrical and hydraulic work on the following dates:

- Saturday 1 November to Monday 3 November
- Saturday 8 November to Monday 10 November
- Saturday 15 November to Monday 17 November
- Saturday 29 November to Monday 1 December
- Saturday 20 December to Monday 22 December
- Saturday 10 January to Monday 12 January.
