

Notification – St Marys Station footbridge

November 2025

Transport for NSW is delivering a new footbridge and northern plaza at St Marys Station as part of the Sydney Metro – Western Sydney Airport project

Work activities in November

- installing steel cladding, glass panels and roofing for the new footbridge
- installing drainage, electrical and other utility services
- footpath, landscaping and pavement work on Harris Street and near the multi-storey car park
- delivering and removing materials and equipment via Hobart Street, Harris Street, Glossop Street, and Forrester Road
- constructing the new Sydney Trains building.

What to expect

- two accessible parking spaces in the commuter car park will be temporarily unavailable to construct a new kerb ramp and related work
- up to 30 parking spaces will be temporarily unavailable on Harris Street for utility and weekend work
- construction equipment in use including excavators, saw cutters, trucks, cranes, concrete pumps, light towers, power tools, and survey equipment.

When and where we'll be working

Standard working hours are **7am to 6pm, Monday to Friday**, and **8am to 1pm on Saturdays**.

In **November**, work on the new footbridge and station platforms will take place continuously during the following planned Sydney Trains trackwork weekends:

- **1am Saturday 1 November to 7am Monday 3 November**
- **1am Saturday 8 November to 7am Monday 10 November**
- **1am Saturday 15 November to 7am Monday 17 November**
- **1am Saturday 29 November to 7am Monday 1 December.**

Subject to approvals, we will be working extended hours from:

- **6pm to 7am between Monday 3 November and Friday 28 November** (up to three weeknights per week).

Building material and equipment will be delivered to our work areas between **6pm** and **6am** on **weeknights** from:

- **Wednesday 29 October to Monday 3 November**
- **Wednesday 5 November to Monday 10 November**
- **Wednesday 12 November to Monday 17 November**
- **Wednesday 26 November to Monday 1 December.**

Managing our impacts

We aim to minimise impacts on the community and environment by:

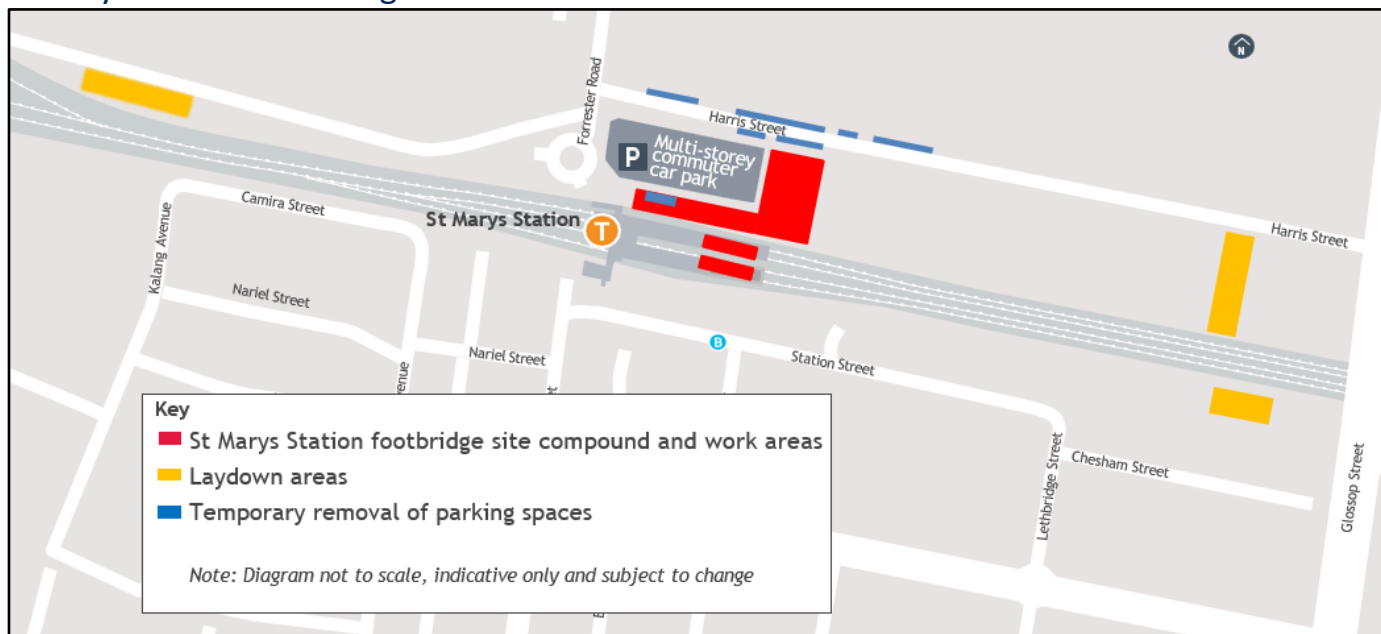

- installing safety and security fencing around our work areas
- reducing noise by turning off machinery when not in use
- managing vehicle and pedestrian access with traffic control and signs.

Planned work outside of standard hours over the next three months

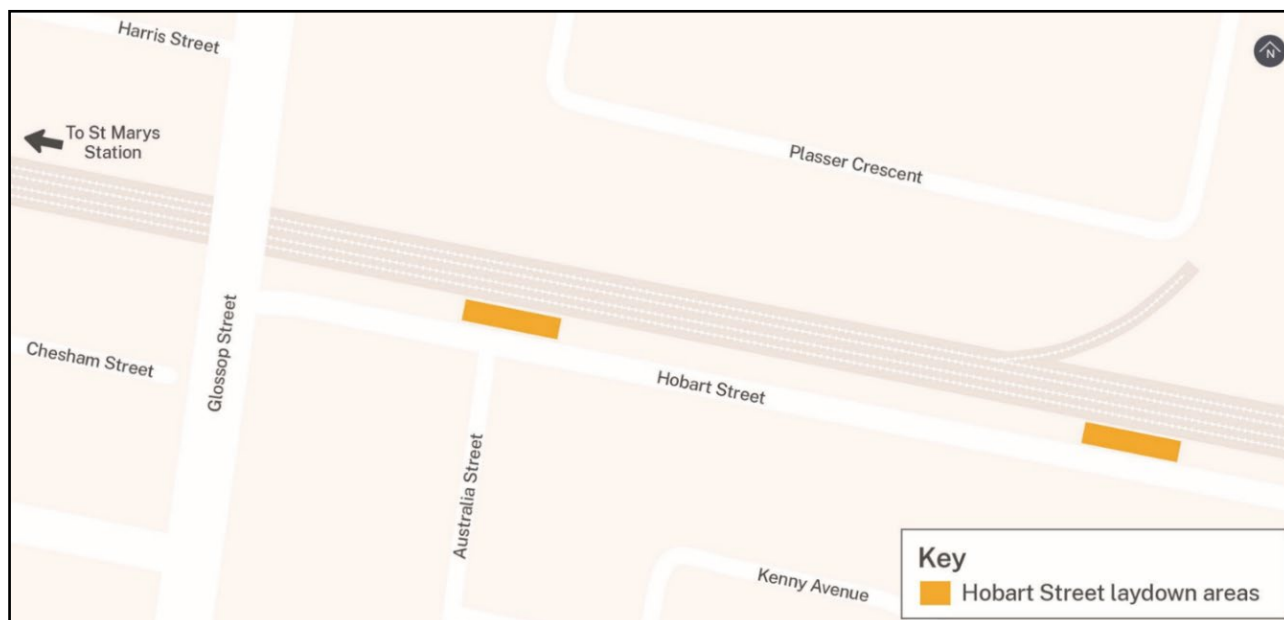

Planned activities (subject to approval) include excavation, structural steel, concrete, electrical and hydraulic work on the following dates:

- Saturday 20 December to Monday 22 December
- Saturday 10 January to Monday 12 January
- Saturday 14 February to Monday 16 February
- Saturday 21 February to Monday 23 February
- Saturday 28 February to Monday 2 March.
