

Notification – Temporary road closure

13 November 2025

Sydney Metro is Australia's biggest public transport project.

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, link new communities to rail services and support employment growth and housing supply.

Gamuda Australia and Laing O'Rourke Consortium (GLC) has been awarded the contract to deliver nine kilometres of twin metro rail tunnels between Westmead and Sydney Olympic Park, excavation for two new metro stations, a stabling and maintenance facility at Clyde and a precast facility at Eastern Creek.

Temporary night-time road closures on Macquarie Lane and Macquarie Street, Parramatta

To support sewer upgrades within Macquarie Lane, **sections of Macquarie Street and Macquarie Lane, will be closed to traffic on the following nights:**

- 7pm Thursday 20 November to 5am Friday 21 November 2025,
- 7pm Monday 24 November to 5am Tuesday 25 November 2025,
- 7pm Tuesday 25 November to 5am Wednesday 26 November 2025,
- 7pm Wednesday 26 November to 5am Thursday 27 November 2025,
- 7pm Thursday 27 November to 5am Friday 28 November 2025,
- 7pm Friday 28 November to 5am Saturday 29 November 2025,
- 7pm Wednesday 3 December to 5am Thursday 4 December 2025.

The road closures will occur between the intersection of Macquarie Street and Marsden Street, and the intersection of Macquarie Lane and Smith Street, see map overleaf for details.

Works will involve:

- Setting up traffic management, VMS signage and detours around the area
- CCTV, jet cleaning, jack hammering and re-lining sewers.

We will continue to keep you informed of our progress and planned out-of-hours work. To know more, register your details to receive weekly email updates at metrotunnelsGLC@transport.nsw.gov.au.

What to expect:

- Some activities will generate noise and vibration, but this will be minimised as much as possible.
- Access to businesses will be maintained unless arrangements are made with you in advance.
- Access for waste collection trucks on Macquarie Street will be maintained via traffic control.
- Traffic control and signage will be in place in surrounding streets to assist motorists, pedestrians and cyclists with changes to traffic conditions on Macquarie Street and Macquarie Lane during planned closures at night. Please keep to the speed limits, follow detours and allow some extra time for your journey when travelling near these areas.

Equipment used: Equipment for this work will include but is not limited to jack hammers, jet and camera trucks, lining truck, compressor, excavator, generators, cement mixer, light vehicles and traffic control devices.
