

Notification – St Marys Station footbridge

April 2026

Transport for NSW is delivering a new footbridge and northern plaza at St Marys Station as part of the Sydney Metro–Western Sydney Airport project

Work activities in April

- installing steel, cladding, glass panels and roofing for the new footbridge
- building and fitting out new lifts and escalators
- installing hydraulic, electrical, mechanical, fire and other utility services
- footpath, landscaping and pavement work on Harris Street and near the multi-storey car park
- constructing the new Sydney Trains building
- resurfacing station platforms and installing tactile makers
- delivering and removing materials and equipment via Hobart Street, Harris Street, Glossop Street, and Forrester Road.

What to expect

- in the multi-storey commuter car park:
 - two accessible parking spaces in the commuter car park remain unavailable to provide safe space for work activities in the new plaza area
 - up to six additional parking spaces, including five accessible spaces, may be temporarily unavailable between **Friday 10 April** and **Wednesday 15 April** to build the new bicycle shelter as contingency in case of wet weather.
- up to 16 parking spaces will be temporarily unavailable on Harris Street for weekend work, night work and deliveries.
- construction equipment in use will include excavators, saw cutters, trucks, cranes, concrete pumps, light towers, and tools.

Planned night and weekend work

In **April**, work on the new footbridge and station platforms will take place continuously during the following planned Sydney Trains trackwork weekend:

- **1am Saturday 18 April to 7am Monday 20 April.**

Subject to approvals, we will be working extended hours from:

- **7am to 3pm on Saturday 11 April and Saturday 25 April.**
- **6pm to 6am between Tuesday 28 April and Saturday 2 May and Monday 4 May to Saturday 9 May** to install platform tactile markers.

Our standard working hours are **7am to 6pm, Monday to Friday**, and **8am to 1pm on Saturdays**

Managing our impacts

We aim to minimise impacts on the community and environment by:

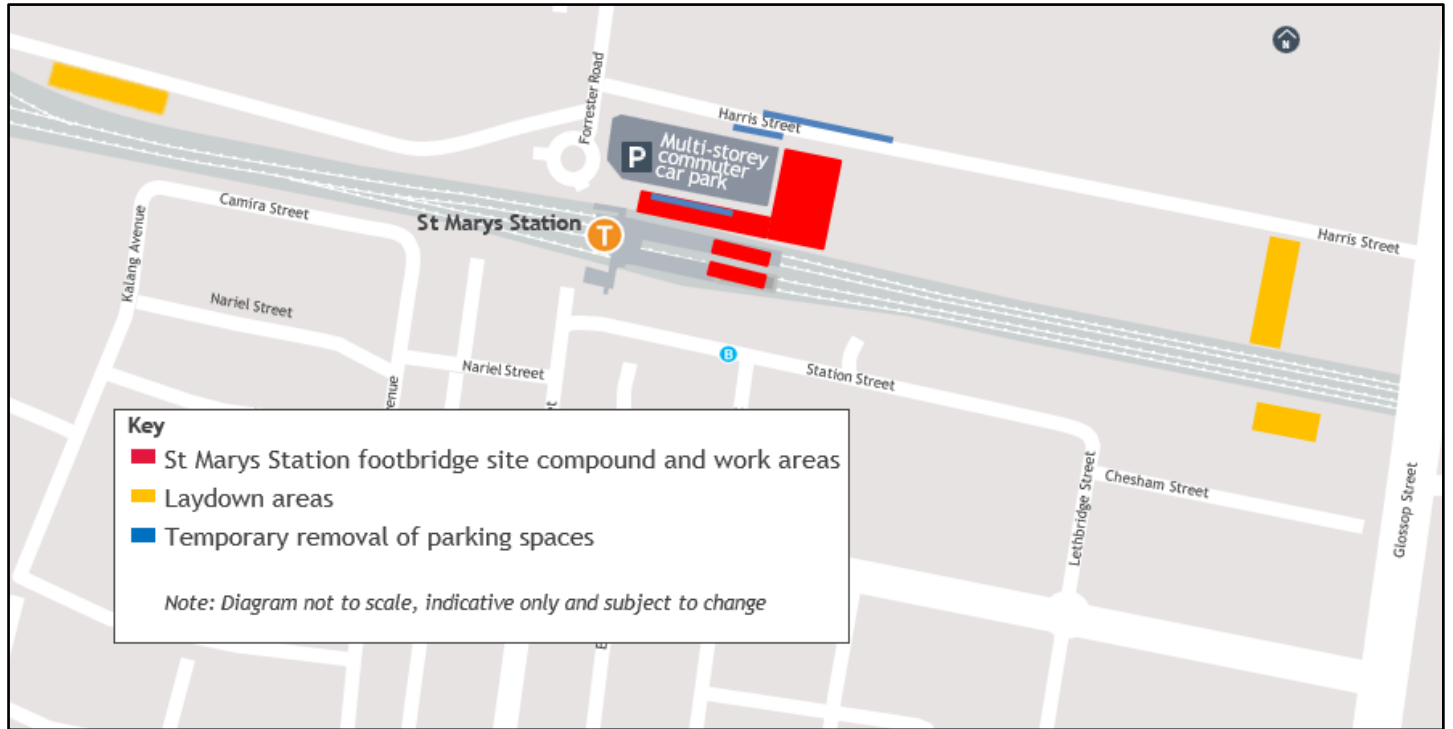

- installing safety and security fencing around our work areas
- reducing noise by turning off machinery when not in use
- managing vehicle and pedestrian access with traffic control and signs.

Planned work outside of standard hours over the next three months

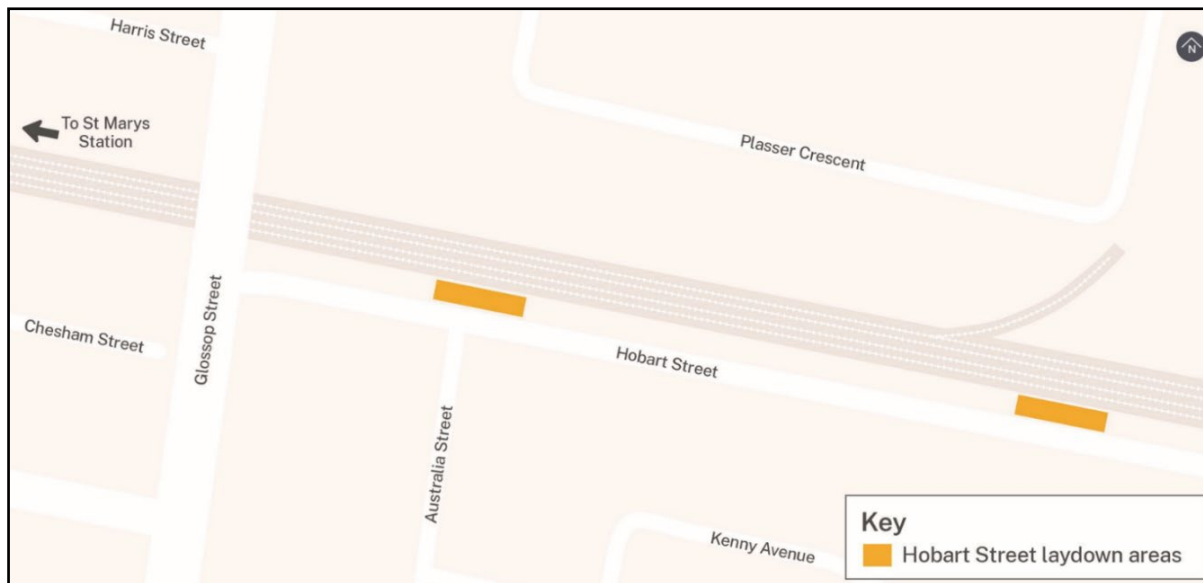

Planned activities (subject to approval) include excavation, structural steel, concrete, electrical and hydraulic, asphalt and landscaping work on the following dates:

- Saturday 30 May to Monday 1 June
- Saturday 18 July to Monday 20 July
- Saturday 25 July to Monday 27 July.
