

Notification – St Marys Station footbridge

March 2026

Transport for NSW is delivering a new footbridge and northern plaza at St Marys Station as part of the Sydney Metro – Western Sydney Airport project

Work activities in March

- installing steel, cladding, glass panels and roofing for the new footbridge
- building and fitting out new lifts and escalators
- installing hydraulic, electrical, mechanical, fire and other utility services
- footpath, landscaping and pavement work on Harris Street and near the multi-storey car park
- constructing the new Sydney Trains building
- installing tactile makers along station platforms
- delivering and removing materials and equipment via Hobart Street, Harris Street, Glossop Street, and Forrester Road.

What to expect

- in the multi-storey commuter car park:
 - two accessible parking spaces in the commuter car park remain unavailable to provide safe space for work activities in the new plaza area
 - up to six additional parking spaces, including five accessible spaces, will be temporarily unavailable between 30 March and 2 April to provide space for a crane to build the new bicycle shelter.
- up to 16 parking spaces will be temporarily unavailable on Harris Street for night work
- construction equipment in use will include excavators, saw cutters, trucks, cranes, concrete pumps, light towers, and tools.

Planned night and weekend work

Subject to approvals, we will be working extended hours from:

- **6pm to 6am** between **Sunday 1 March** and **Friday 6 March** (five nights) and between **Monday 9 March** and **Friday 13 March** (four nights) to install platform tactile markers
- **6pm to 6am** between **Monday 16 March** and **Saturday 21 March** (up to five nights) as wet weather contingency to install platform tactile markers
- **7am to 3pm** on the following **Saturdays – 7 March, 14 March, 21 March** and **28 March**

Our standard working hours are **7am to 6pm, Monday to Friday**, and **8am to 1pm on Saturdays**

Managing our impacts

We aim to minimise impacts on the community and environment by:

- installing safety and security fencing around our work areas
- reducing noise by turning off machinery when not in use
- managing vehicle and pedestrian access with traffic control and signs.

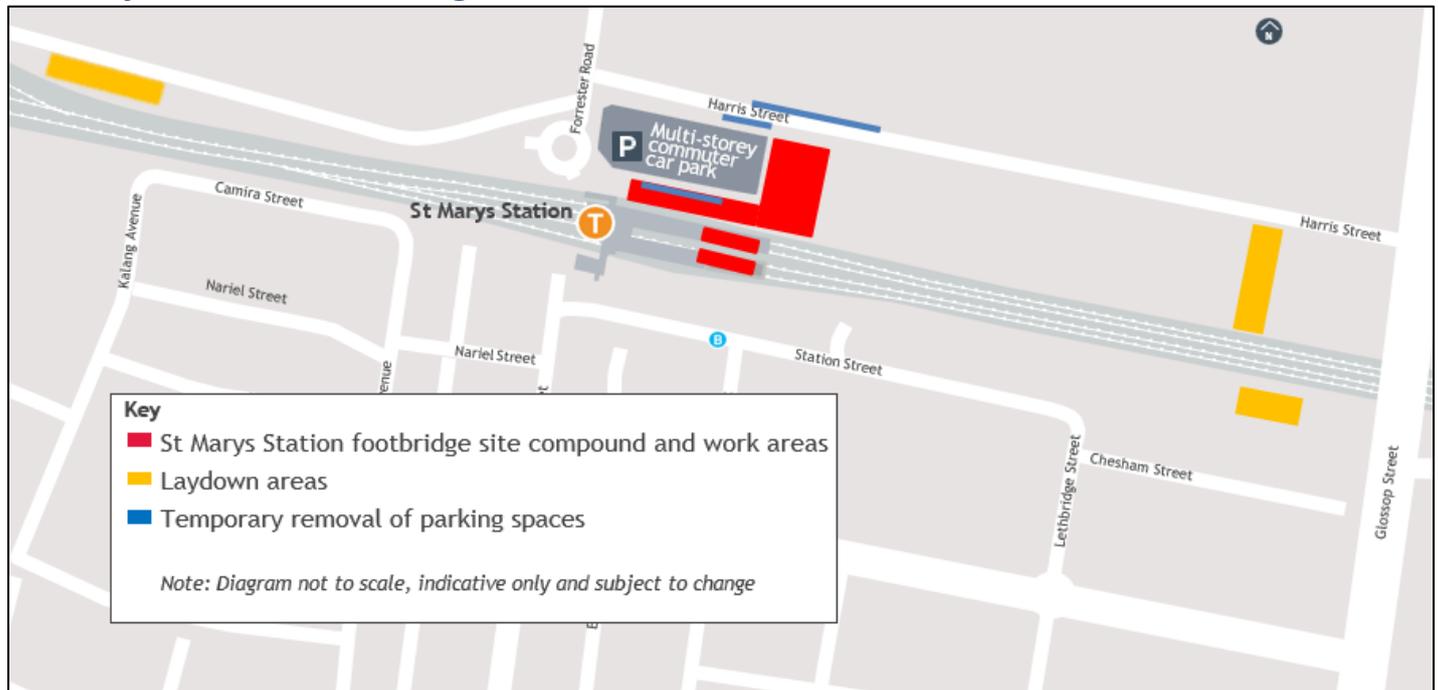

Planned work outside of standard hours over the next three months

Planned activities (subject to approval) include excavation, structural steel, concrete, electrical and hydraulic, asphalt and landscaping work on the following dates:

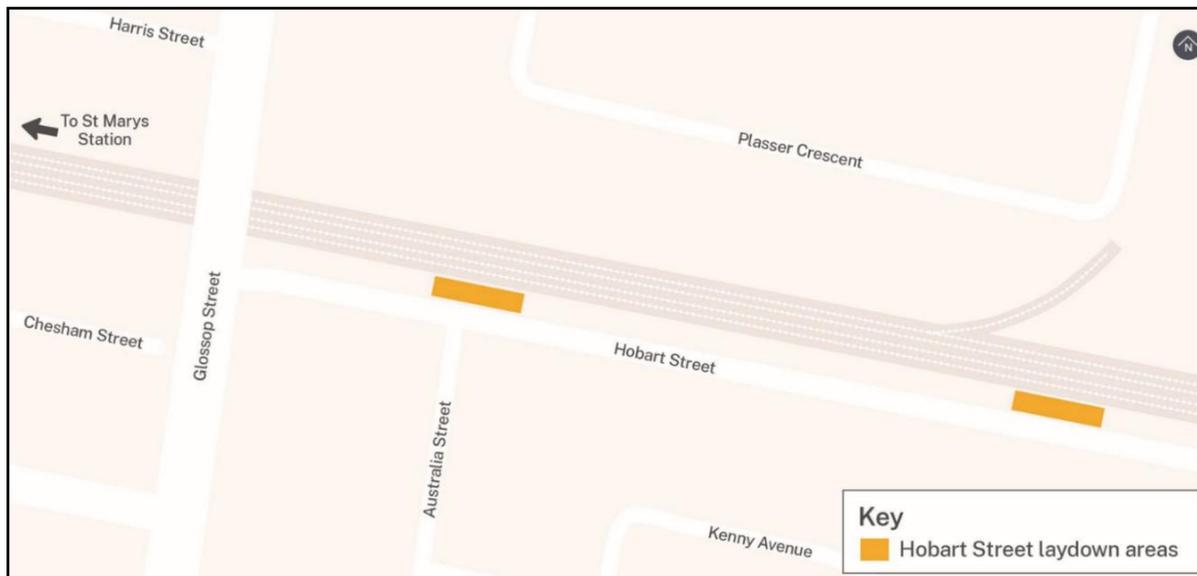

- Saturday 18 April to Monday 20 April
- Saturday 30 May to Monday 1 June.
