

Notification – St Marys Station footbridge

May 2026

Transport for NSW is delivering a new footbridge and northern plaza at St Marys Station as part of the Sydney Metro–Western Sydney Airport project

Work activities in May

- installing steel, cladding, glass panels and roofing for the new footbridge
- building and fitting out new lifts and escalators
- installing stairs for the new northern entrance
- resurfacing station platforms and installing tactile markers
- reducing the size and changing the type of work area fencing on station platforms
- footpath, landscaping and pavement work on Harris Street and near the multi-storey car park
- installing hydraulic, electrical, mechanical, fire and other utility services
- constructing the new Sydney Trains building
- delivering and removing materials and equipment via Hobart Street, Harris Street, Glossop Street, and Forrester Road.

What to expect

- two accessible parking spaces in the multi-storey commuter car park remain unavailable to provide safe space for work activities in the new plaza area
- up to 16 parking spaces will be temporarily unavailable on Harris Street for weekend work, night work and deliveries
- construction equipment in use will include excavators, saw cutters, trucks, cranes, concrete pumps, light towers, and tools.

Planned night and weekend work

In **May**, work on the new footbridge and station platforms will take place continuously during the following planned Sydney Trains trackwork weekend:

- **1am Saturday 30 May to 7am Monday 1 June.**

Subject to approvals, we will be working extended hours from:

- **7am to 3pm** on the following **Saturdays, 2 May, 9 May, 16 May and 23 May.**
- **6pm to 6am** between **Friday 1 May and Saturday 2 May** and from **Monday 4 May to Saturday 9 May** to install platform tactile markers.

Building material and equipment will be delivered to our work areas between **6pm and 6am** on **weeknights** from **Wednesday 20 May to Friday 29 May.**

Our standard working hours are **7am to 6pm, Monday to Friday**, and **8am to 1pm on Saturdays.**

Managing our impacts

We aim to minimise impacts on the community and environment by:

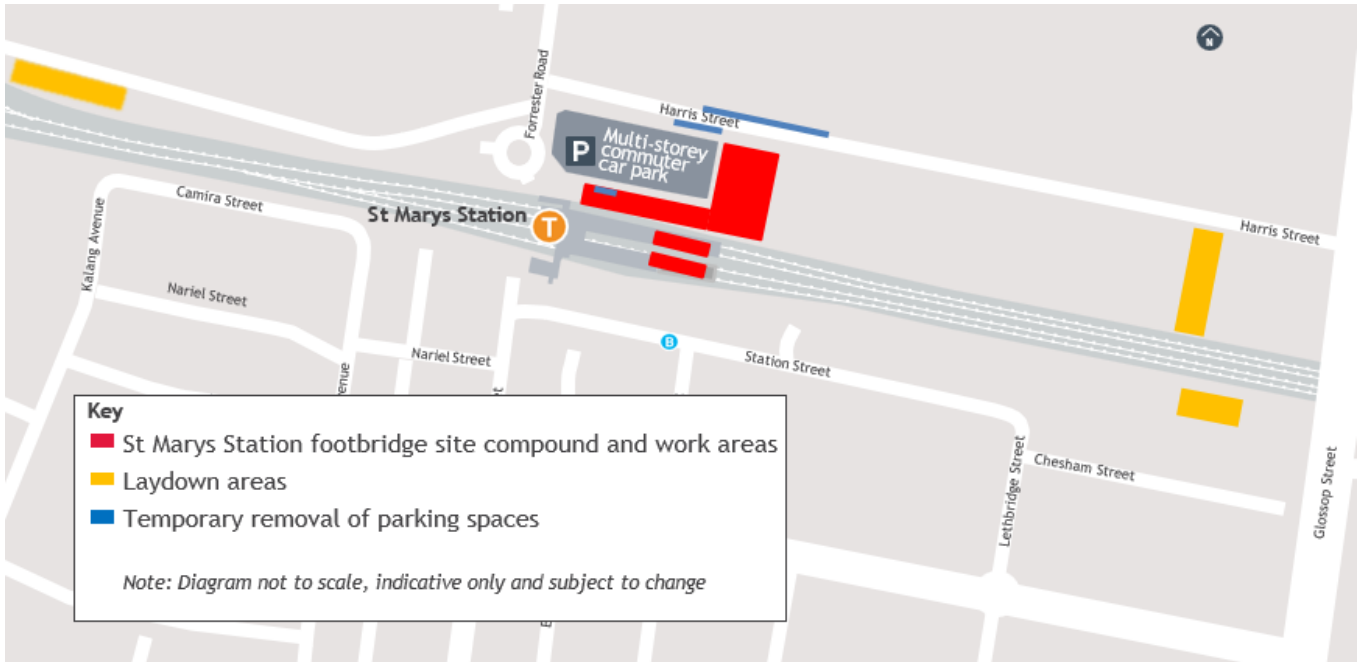

- installing safety and security fencing around our work areas
- reducing noise by turning off machinery when not in use
- managing vehicle and pedestrian access with traffic control and signs.

Planned work outside of standard hours over the next three months

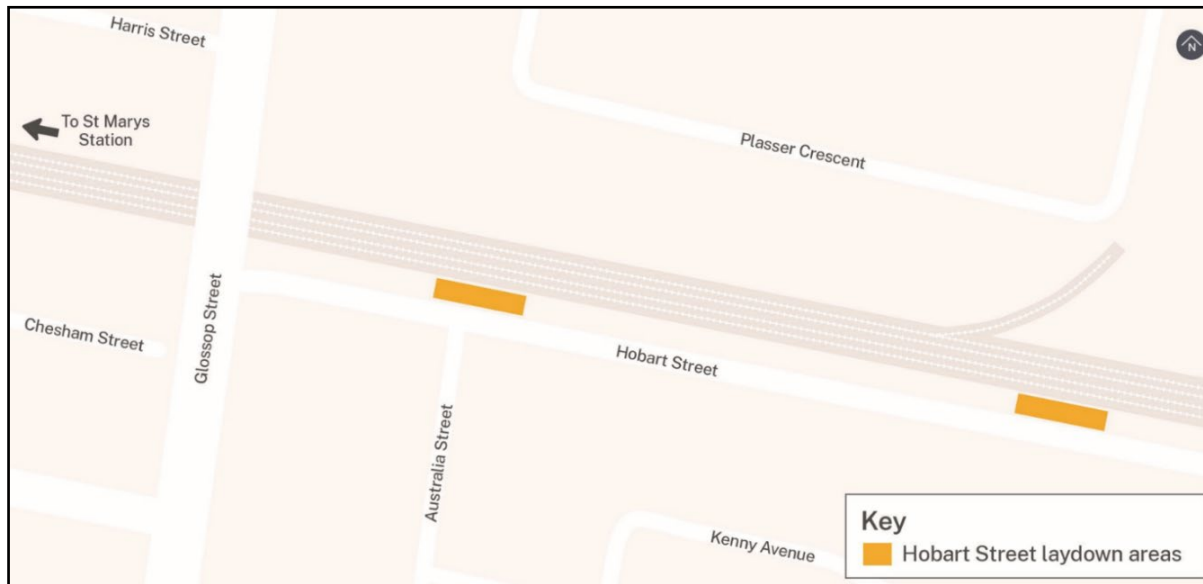

Planned activities (subject to approval) include excavation, structural steel, concrete, electrical and hydraulic, asphalt and landscaping work on the following dates:

- Saturday 18 July to Monday 20 July
- Saturday 25 July to Monday 27 July
- Saturday 15 August to Monday 17 August.
