

Notification – St Marys Station footbridge

June 2026

Transport for NSW is delivering a new footbridge and northern plaza at St Marys Station as part of the Sydney Metro–Western Sydney Airport project

Work activities in June

- installing steel, cladding, glass panels and roofing for the new footbridge
- building and fitting out new lifts and escalators
- installing stairs for the new northern entrance
- installing platform tactile markers
- footpath, landscaping and pavement work on Harris Street and near the multi-storey car park
- installing hydraulic, electrical, mechanical, fire and other utility services
- constructing the new Sydney Trains building
- delivering and removing materials and equipment via Hobart Street, Harris Street, Glossop Street, and Forrester Road.

What to expect

- two accessible parking spaces in the multi-storey commuter car park remain unavailable to provide safe space for work activities in the new plaza area
- up to 16 parking spaces will be temporarily unavailable on Harris Street for weekend work, night work and deliveries
- temporary footpath closure on Harris Street, with pedestrian detours in place
- temporary delays accessing multi-storey commuter car park for work on the new lift over three nights
- construction equipment in use will include excavators, saw cutters, trucks, cranes, concrete pumps, light towers, and tools.

Planned night and weekend work

In **June**, work on the new footbridge and station platforms will take place continuously during a planned Sydney Trains trackwork weekend from **12am Saturday 30 May to 7am Monday 1 June**.

Planned night and weekend work

Subject to approvals, we will be working extended hours from:

- **7am to 3pm** on the following **Saturdays - 6 June, 13 June, 20 June and 27 June**.
- **6pm to 6am** between **Tuesday 9 June and Saturday 13 June** and from **Monday 15 June to Saturday 20 June** to install platform tactile markers and work on the new lift in the northern plaza.

Building material and equipment may be delivered to our work areas between **6pm and 6am** on **weeknights** from **Monday 1 June to Friday 5 June**.

Our standard working hours are **7am to 6pm, Monday to Friday**, and **8am to 1pm on Saturdays**.

Managing our impacts

We aim to minimise impacts on the community and environment by:

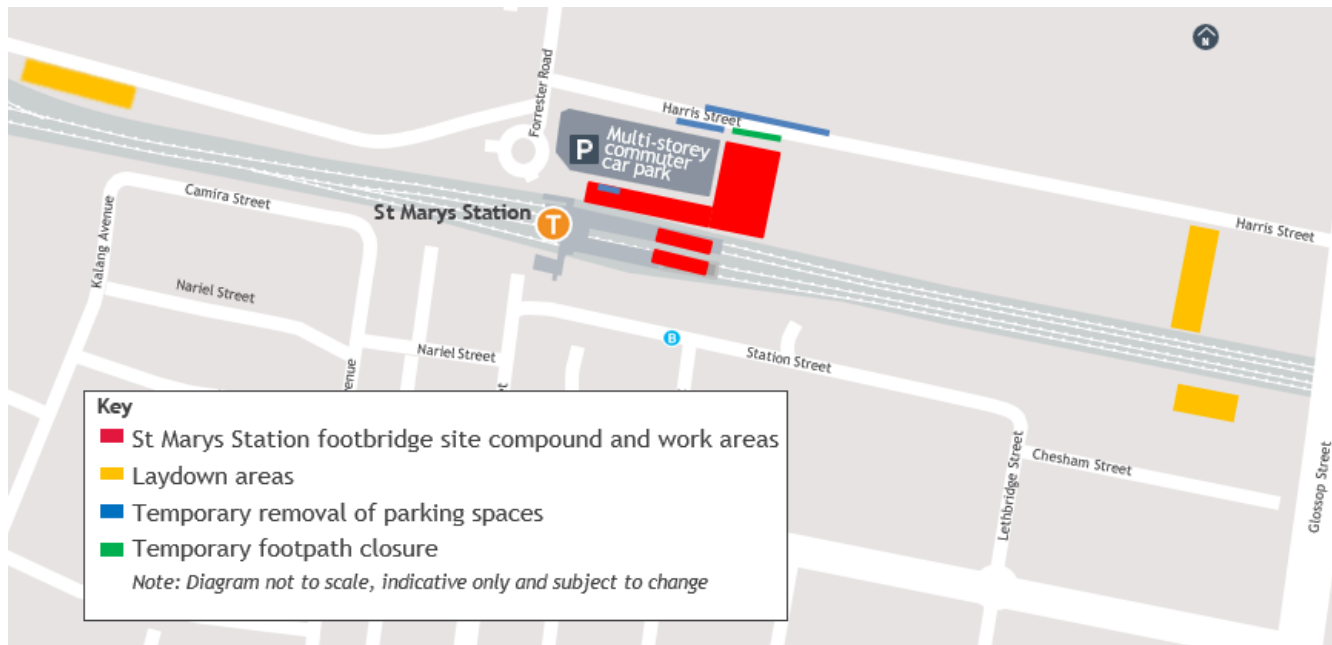

- installing safety and security fencing around our work areas
- reducing noise by turning off machinery when not in use
- managing vehicle and pedestrian access with traffic control and signs.

Planned work outside of standard hours over the next three months

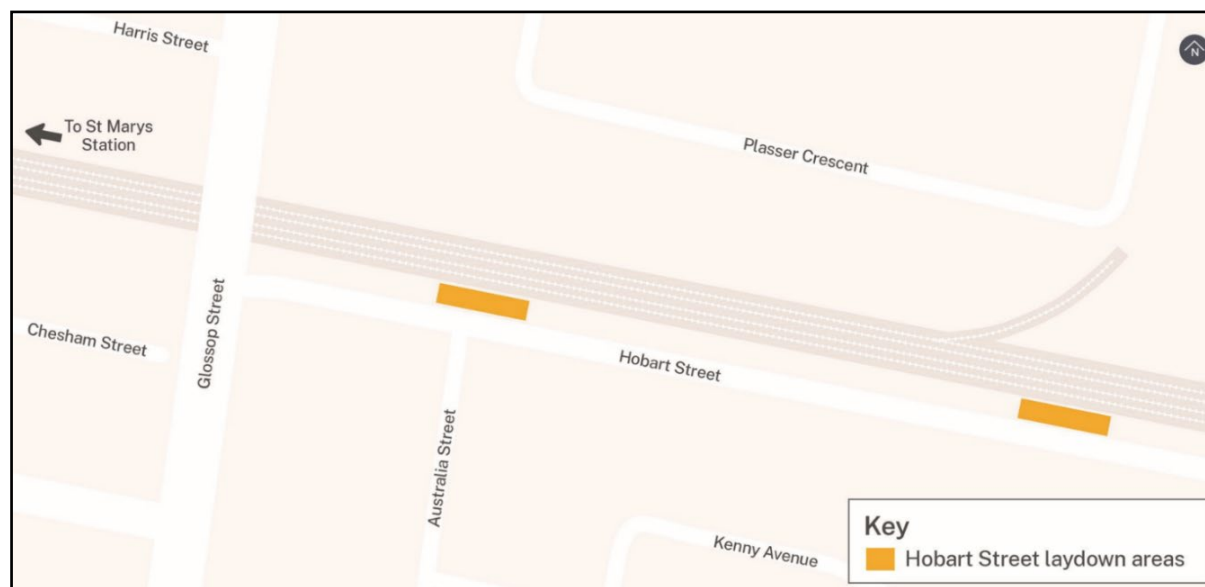

Planned activities (subject to approval) include excavation, structural steel, concrete, electrical and hydraulic, asphalt and landscaping work on the following dates:

- Saturday 18 July to Monday 20 July
- Saturday 25 July to Monday 27 July
- Saturday 15 August to Monday 17 August.
