

Monthly update – Clyde and surrounds

24 June 2026

Sydney Metro is Australia's biggest public transport project.

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, link new communities to rail services and support employment growth and housing supply.

Gamuda Australia and Laing O'Rourke Consortium (GLC) has been awarded the contract to deliver nine kilometres of twin metro rail tunnels between Westmead and Sydney Olympic Park, excavation for two new metro stations, a stabling and maintenance facility at Clyde and a precast facility at Eastern Creek.

Sydney Metro has engaged Quickway Construction Pty Ltd to install high voltage (HV) conduits to the Rosehill Services Facility, part of the stabling and maintenance facility.

John Holland has been appointed to deliver the Linewide package, including 60km of track across the Sydney Metro West network, installation of rail systems and construction of the stabling and maintenance facility.

Construction activities: July 2026

Major construction will continue at Clyde during July.

What work we are doing?

- Support work for the mainline tunnels, junction caverns and service tunnels at Clyde Dive*.
- Creek crossing removal, vegetation clearing, landscaping and planting within site.
- Geotechnical and site investigations, including groundwater monitoring, surveying, and locating existing utility services within the site and nearby streets.
- Investigating, installing, upgrading, relocating and decommissioning utility services within the site and surrounding streets.
- Delivery and removal of machinery, equipment and materials, including spoil stockpiling*.
- Installation, monitoring and removal of survey equipment along the alignment until late-2026*.
- Establishment of site and workforce facilities
- Ongoing site and tunnel operations, maintenance and upkeep.

Work will be conducted during standard working hours, **7am – 6pm Monday to Friday, 8am – 6pm, Saturdays.**

*Tunnelling support activities, and some construction activities will be **24 hours, seven days a week**. Work activities are subject to ground and weather conditions and may be rescheduled if required. We will notify you via our email updates if this occurs.

Quickway – Power Enabling Work

Work to install HV conduits between the Endeavour Substation on Colquhoun Street and the Rosehill Services Facility on Unwin Street will continue intermittently during July, including trench excavation.

Most of this work will take place out of hours, **from 6pm to 5am Monday to Friday**, to minimise traffic impacts. Some work may also be undertaken during standard construction hours, **7am to 6pm Monday to Friday**.

For more information, please refer to Quickway's dedicated notification available on our website

<https://www.sydneymetro.info/station/clyde-stabling-and-maintenance-facility>

What to expect:

- Use of noise blankets during night work, where possible to minimise disturbance
- Directional lighting to reduce impact on nearby properties
- Noise, vibration and dust monitoring
- Traffic controls, including contraflow, boom gates, temporary barriers, and stop-slow traffic
- Increased worker presence and vehicle movements on Colquhoun, Unwin and Shirley streets

Equipment used (but is not limited to): cranes, generators, bolting rigs, trucks and dogs, light vehicles, drill rigs, dust scrubbers, compressors, excavators (including attachments), dozers, jackhammer, concrete agitators, concrete pumps, vacuum trucks, vibratory roller, chainsaws, mulchers, chippers, road saw, traffic control devices and survey equipment.

Clyde work area

Out of hours work over the next three months is detailed in the table below.

Activity	Location	Noise impact	August	September	October
Oversized machinery, equipment and material deliveries	Entrances on Unwin Street, James Ruse Drive and Wentworth Street	Low	•	•	•
Tunnel support activities including operations and maintenance	Within Clyde site and Rosehill areas	Low	•	•	•
Power enabling works (Quickway)	Unwin Street, Colquhoun Street, Shirley Street intersection	Low	•	•	•

Contact us:

Please contact the community team on 1800 612 173 or by email if you have any questions, complaints or would like to provide feedback about the work, including respite periods. We will continue to keep you updated on the progress of work in your area. If you would prefer to receive updates by email, please send a request to metrotunnelsGLC@transport.nsw.gov.au and we will add you to the distribution list.
