

Monthly update – Clyde and surrounds

August 2026

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, transforming Sydney for generations to come. Sydney Metro West will target an opening date of 2032.

Sydney Metro has engaged John Holland to deliver the Linewide package. Delivering 60kms of track across the network, installation of rail systems and construction of Sydney Metro West’s 38-hectare stabling and maintenance facility in Clyde.

Gamuda Australia and Laing O’Rourke Consortium (GLC) has been awarded the contract to deliver nine kilometres of twin metro rail tunnels between Westmead and Sydney Olympic Park, excavation for two new metro stations, a stabling and maintenance facility at Clyde and a precast facility at Eastern Creek.

Sydney Metro has engaged Quickway to install high voltage (HV) conduits to the Rosehill Services Facility, part of the stabling and maintenance facility.

What work are we doing?

- Linewide will continue establishing work areas and site investigations throughout August.
- Standard construction hours are **Monday to Friday from 7am to 6pm and Saturday 8am to 6pm.**
- Tunnel operations, maintenance and support work will be undertaken **24 hours per day, seven days a week.**
- Trenching and conduit installation works may take place out of hours from **6pm to 5am Monday to Friday**
- You will be notified in advance of any planned out-of-hours or intrusive works.

Managing our impacts on the community

We aim to manage our work to minimise disruption to the community and the environment. This includes:

- Plan noisy activities that are close to residents during standard construction hours or early evening, where possible
- Direct lighting away from neighbouring properties
- Using onsite dust suppression such as water mister attachments, water cannons, wheel washing as required

Location of work area

- Designated on-site parking for construction vehicles.
- Designated on-site parking for construction vehicles
