

Monthly update – Burwood North Station

August 2026

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, transforming Sydney for generations to come. Sydney Metro West will target an opening date of 2032.

Gamuda has been awarded the contract to design and construct the five new Metro stations at Westmead, North Strathfield, Burwood North, Five Dock, and The Bays.

Sydney Metro has engaged John Holland to deliver the Linewide package. Delivering 60kms of track across the network, installation of rail systems and construction of Sydney Metro West's 38-hectare stabling and maintenance facility in Clyde.

What work are we doing?

Early works will continue at the Burwood North Station site in August 2026, including site setup, investigations and survey works.

Piling activities will be undertaken ahead of tower crane installation.

Standard construction hours are **Monday to Friday from 7am to 6pm and Saturday 8am to 6pm.**

Tunnel operation and maintenance will be undertaken **24 hours per day, seven days a week.** You will be notified in advance of any planned out-of-hours or intrusive works.

Construction lookahead

Activity	Expected Noise impact	Aug	Sept	Oct
Installation of pipes and conduits within the station box and tunnels	Low	•	•	
Concrete pours, and the removal and installation of concrete access ramps within the station box to the tunnels, near the tunnel entrance	Low/Moderate	•	•	
Geotechnical and site investigations of sub-surface conditions	Low	•	•	•
Survey, investigations and connections within site and surrounding streets	Low	•	•	•
Installing environmental controls and monitoring equipment to mitigate construction impacts	Low	•	•	•
Setting up traffic management and signage installation	Low	•	•	•
Drainage installation including rock hammering within the station box	Moderate/High	•	•	•
Piling activities ahead of tower crane installation	Moderate/High	•	•	•
Concrete pours and waterproofing activities including installation of rock anchors and shotcrete	Low	•	•	•
Operation and maintenance activities including the water treatment plant within the construction site and tunnel	Low	••	••	••
Delivery, stockpiling and removal of materials, plant, equipment and machinery	Low	••	••	••
Rail movement into station boxes and through tunnels	Low	••	••	••
Standard construction hours work • Out-of-hours work required •				

What will this mean for you?

You may notice

- Workers and vehicles
- Traffic controllers and signage
- Noise from machinery and equipment

Changes to traffic, pedestrian and cyclist routes

To support utility survey and investigation work in August, temporary intermittent footpath diversions are required in sections on Burwood Road, Parramatta Road and Burton Road and a partial lane closure on Esher Lane. A parking spot may be utilised on local streets near work areas for equipment from time to time.

Pedestrian and vehicle access in these areas will be maintained via traffic control and signage to direct pedestrians and traffic around work areas.

Managing our impacts on the community

We aim to manage our work to minimise disruption to the community and the environment and we will:

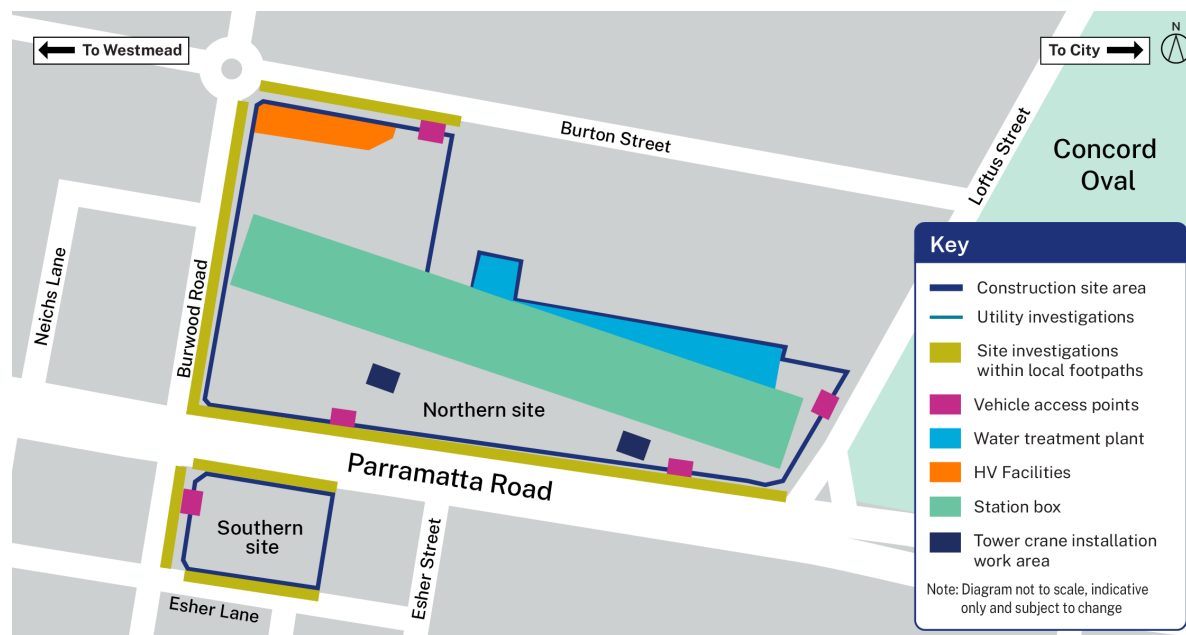

- Conduct noise monitoring as required
- Direct lighting towards work areas and away from neighbouring properties
- Commence high impact noise works after 8am, and will include respite periods

Equipment and machinery used

Equipment for this work will include but is not limited to hand tools, small machinery, mobile cranes, loaders, survey equipment, piling rig, elevated work platforms, telehandlers, concrete pumps, light towers, fork lifts, generators, buggies, trolleys, delivery trucks, truck and dogs, mobile cranes, street sweepers, bobcats, concrete saws, circular saws, excavators, jackhammers, concrete agitators, vacuum trucks, light vehicles, delivery vehicles, fencing, traffic control devices and other tunnel and material transport equipment.

Please contact us on **1800 612 173** or email SPWMetro@transport.nsw.gov.au if you have any questions, complaints or would like to provide feedback about the work, including respite periods.
