

Notification – Out of hours utility work Hunter Street (Sydney CBD)

20 July 2026

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, transforming Sydney for generations to come.

Stations have been confirmed at Westmead, Parramatta, Sydney Olympic Park, North Strathfield, Burwood North, Five Dock, The Bays, Pyrmont and Hunter Street in the Sydney CBD

Tunnelling for Sydney Metro West is complete, with Westmead now connected to the Sydney CBD, through the twin metro tunnels.

Out of hours work

John Holland, CPB Contractors, Ghella (JCG) will be undertaking utility inspections within the Sydney CBD North roads. These inspections will be carried out within an exclusion zone using a CCTV camera which is lowered into the pipes via existing manholes located within the roadway and footpath.

To minimise impacts on traffic and ensure the safety of pedestrians, this work will be carried out between **6pm to 5am, Monday to Sunday** from **Monday 27 July until late September 2026**. See map overleaf for work locations.

What will this mean for you?

- Presence of temporary lighting at each work area
- Intermittent noise from machinery and equipment
- Increase of construction vehicle movements
- Temporary loss of street parking in some locations.

Traffic and Pedestrian changes

Intermittent partial footpath and lane closures will be in place during this work, please follow the direction of traffic control. Access to property driveways located within the work zones will be maintained at all times.

Equipment used

Equipment used for works include but is not limited to vacuum truck, hand tools, CCTV equipment, heavy vehicles, traffic management and signage.

Managing our impacts

We aim to reduce impacts on the community and the environment by:

- Noisy work completed by midnight, where possible
- Direct lighting away from neighbouring properties

Location of work area
