

Notification – St Marys Station footbridge

September 2026

Transport for NSW is delivering a new footbridge and northern plaza at St Marys Station as part of the Sydney Metro–Western Sydney Airport project

Work activities in September

- installing steel, cladding, glass panels and roofing for the new footbridge
- building and fitting out new lifts and escalators
- footpath, landscaping, pavement and fencing work on Harris Street and near the multi-storey car park
- installing hydraulic, electrical, mechanical, fire and other utility services
- delivering and removing materials and equipment via Hobart Street, Harris Street, Glossop Street, and Forrester Road.

Planned night and weekend work

In **September**, work will be carried out during the following extended hours:

- **Saturdays** from **7am** to **3pm** on **5, 12, 19** and **26 September**.
- Weeknights from **6pm** to **6am** between **Monday 14 September** and **Friday 18 September**, and between **Monday 21 September** and **Friday 25 September**, to remove temporary platform fencing and complete asphalt and line marking on Harris Street.

Building materials and equipment may also be delivered to our work areas between **6pm** and **6am** on **weeknights**.

Our standard construction hours are **7am** to **6pm** **Monday** to **Friday**, and **8am** to **1pm** on **Saturdays**.

What to expect

- two accessible parking spaces in the multi-storey commuter car park remain unavailable to provide safe space for work activities in the new plaza area
- up to 16 parking spaces will be temporarily unavailable on Harris Street for weekend work, night work and deliveries
- temporary footpath closure on Harris Street, with pedestrian detours in place
- temporary delays accessing the multi-storey commuter car park at night as we carry out asphalt and kerb work
- construction equipment in use will include excavators, saw cutters, trucks, cranes, concrete pumps and lighting towers.

Managing our impacts

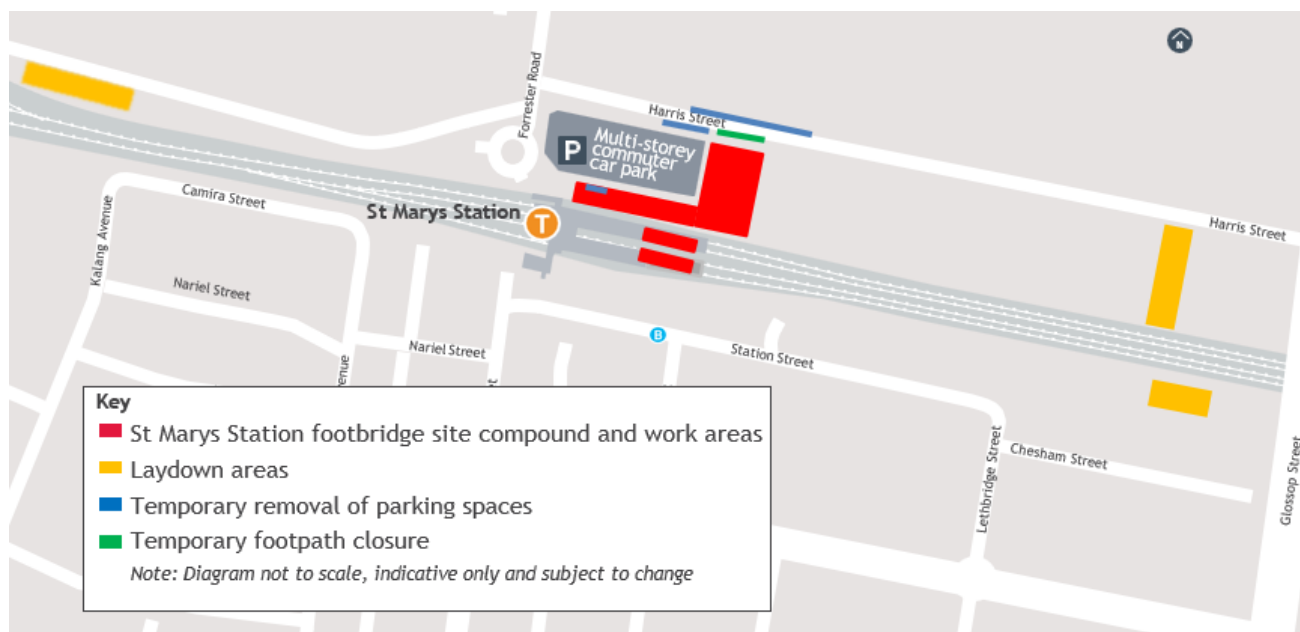

We aim to minimise impacts on the community and environment by:

- installing safety and security fencing around our work areas
- reducing noise by turning off machinery when not in use
- managing vehicle and pedestrian access with traffic control and signs.

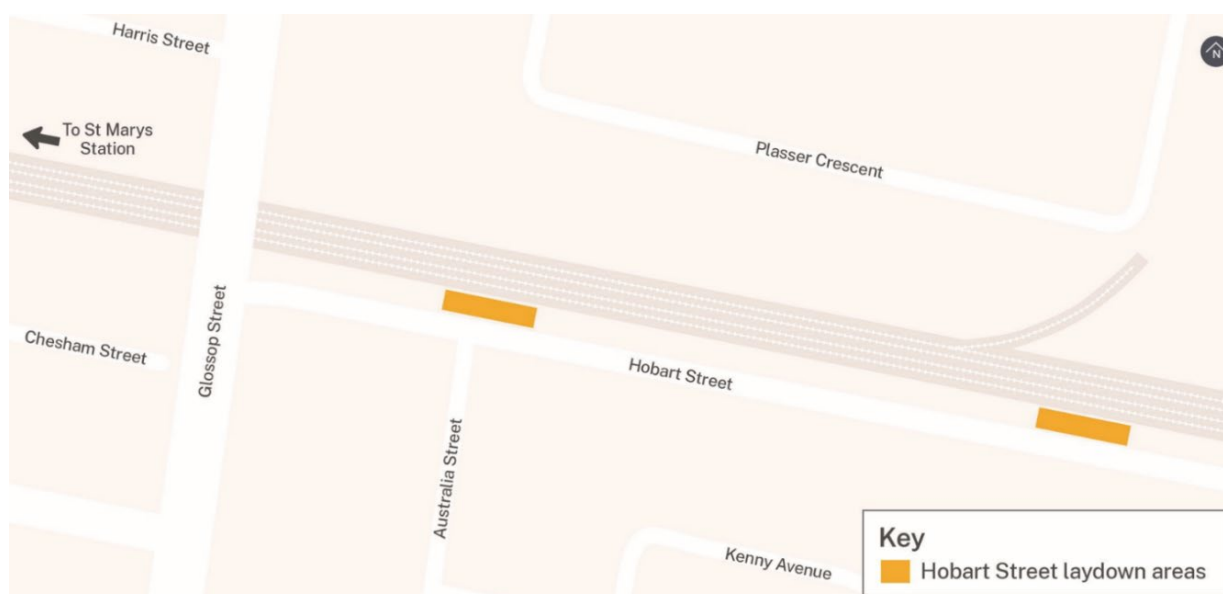

Planned work outside of standard hours over the next three months

At this stage, no work outside our standard construction hours is planned over the next three months.
