Sydney Metro West

Out-of-hours work
North Strathfield metro station

16 October 2026

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, transforming Sydney for generations to come. Sydney Metro West will target an opening date of 2032.

Gamuda has been awarded the contract to design and construct the five new metro stations at Westmead, North Strathfield, Burwood North, Five Dock, and The Bays.

Sydney Metro has engaged John Holland to deliver the Linewide project. Delivering 60kms of track across the network, installation of rail systems and construction of Sydney Metro West's 38-hectare stabling and maintenance facility in Clyde.

Out-of-hours work

To minimise interruption to local traffic and to ensure the safety of motorists, pedestrians and workers around the site, some work must be undertaken outside standard construction hours.

Out-of-hours work will be carried out from:

- **6pm Saturday 24 October to 10pm Sunday 25 October 2026**

This work is to facilitate the delivery and installation of the second of two tower cranes into the station box.

Work includes:

- Barrier adjustments
- Setting up traffic management, signage and detours around the area
- Delivery of machinery and equipment
- Mobilising and demobilising a 400t crane on Queen Street
- Lifting plant and equipment into the station box
- Installation and operation of tower cranes.

Temporary road closure and traffic changes

Change	Location	Duration
Road closure including temporary parking removal Local resident vehicle access to Queen Street between Pomeroy Street and Waratah Street will be managed via traffic control from Waratah Street.	Queen Street between Wellbank and Pomeroy Streets	10pm Saturday 24 October to 5am Monday 26 October 2026
Temporary vehicle access restrictions Local resident and business vehicle access will be maintained.	• Queen Street between Gracemere and Pomeroy Street (Southbound) • Waratah Street between Queen and Tenterfield Street • Wellbank Street between Concord Road and Queen Street (Westbound) • Laneway west of Queen Street between Waratah and Wellbank Street	10pm Saturday 24 October to 5am Monday 26 October 2026
Temporary 'no left turn'	Concord Road onto Wellbank Street	10pm Saturday 24 October to 5am Monday 26 October 2026
Temporary parking removal	The parking lane on Queen Street between Wellbank Street and Waratah Street	5am to 10pm Saturday 24 October 2026
	Eastbound lane of Correys Avenue between Concord Road and MacKenzie Street	5am to 10pm on Sunday 25 October 2026

See map overleaf for work locations and traffic changes. Pedestrian access will be maintained around work areas. Traffic conditions may return to normal pending progress of work.

In the event that vehicles are parked in the noted locations for the road closure or parking removal, owners of the vehicle will be contacted by Police and the vehicles towed to a nearby parking spot in the area.

In the event of any unexpected delays and/or adverse weather, works will be postponed. Updates will be provided via email and electronic traffic signs.

What will this mean for you?

You may notice:

- Workers and vehicles
- Traffic controllers and signage
- Noise from machinery and equipment

Managing our impacts on the community

We aim to manage our work to minimise disruption to the community and the environment and we will:

- Conduct noise and vibration monitoring as required
- Direct lighting towards work areas and away from neighbouring properties.

Equipment List

Equipment for this work will include but is not limited to hand tools, franna cranes, mobile cranes, delivery vehicles, fencing, lighting towers and traffic control devices.
