

Notification - Five Dock Station out-of-hours work

1 October 2026

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, transforming Sydney for generations to come. Sydney Metro West will target an opening date of 2032.

Gamuda has been awarded the Stations Package West (SPW) contract to design and construct the five new Metro stations at Westmead, North Strathfield, Burwood North, Five Dock, and The Bays.

Sydney Metro has engaged John Holland to deliver the Linewide package. Delivering 60kms of track across the network, installation of rail systems and construction of Sydney Metro West's 38-hectare stabling and maintenance facility in Clyde.

Out-of-hours work

To minimise interruption to local traffic and to ensure the safety of motorists, pedestrians and workers around the site, some work must be undertaken outside standard construction hours.

Out-of-hours work will be carried out from:

- **7pm Thursday 8 October to 7am Friday 9 October 2026**
- **7pm Thursday 15 October to 7am Friday 16 October 2026**
- **7pm Thursday 22 October to 7am Friday 23 October 2026**
- **7pm Thursday 29 October to 7am Friday 30 October 2026 (contingency)**

This work is to facilitate the delivery and installation of site offices and materials to the Western site. Work includes:

- Setting up traffic management and signage

- Delivery of site offices and materials
- Lifting the deliveries from the truck on Great North Road into the work site.
- Fixing, tying and connecting office components.

In the event of adverse weather and/or delivery windows shift, works will be postponed to another night during the same week. Updates will be provided via email. You can subscribe to these updates by emailing;

SPWmetro@transport.nsw.gov.au

Temporary traffic changes on Great North Road

The following temporary traffic changes (pending approval) are required on Great North Road between Henry and Garfield Streets to support this work:

- **Temporary removal of four parking spaces on the northbound side Great North Road from 6pm until 5am each work night.**
- **Temporary closure of the footpath and northbound lane on Great North Road from 9pm to 5am each work night**, a contraflow traffic arrangement will be in place. The lane may open to traffic earlier pending progress of work.

See map overleaf for work locations and traffic changes.

In the event that vehicles are parked on Great North Road outside the Western work site, owners of the vehicle will be contacted by Police and the vehicles towed to a nearby parking spot in the area.

Location of work area

What will this mean for you?

You may notice:

- Workers and vehicles
- Traffic controllers and signage
- Noise from machinery and equipment

Managing our impacts on the community

We aim to manage our work to minimise disruption to the community and the environment and we will:

- Conduct noise monitoring as required
- Use quieter plant and equipment wherever possible
- Switch vehicle engines and headlights off when not in use
- Direct lighting towards work areas and away from neighbouring properties

Equipment List

Equipment for this work will include but is not limited to hand tools, power tools, scissor lifts, elevated work platform, 150T mobile crane, rattle guns, semi-trailers, light vehicles, and traffic control devices.

Contact us

Please contact us if you have any questions, complaints or would like to provide feedback about the work, including respite periods and lighting during night time works.
