Sydney Metro West

Notification – Five Dock Station

9 November 2026

The NSW Government is delivering Sydney Metro West – a new underground metro railway which will double rail capacity between Parramatta and the Sydney CBD, transforming Sydney for generations to come. Sydney Metro West will target an opening date of 2032.

Gamuda has been awarded the Stations Package West (SPW) contract to design and construct the five new Metro stations at Westmead, North Strathfield, Burwood North, Five Dock, and The Bays.

Sydney Metro has engaged John Holland to deliver the Linewide package. Delivering 60kms of track across the network, installation of rail systems and construction of Sydney Metro West's 38-hectare stabling and maintenance facility in Clyde.

Upcoming out-of-hours work

To minimise interruption to local traffic and to ensure the safety of motorists, pedestrians and workers around the site, some work must be undertaken outside standard construction hours.

Work will be undertaken to deliver and install a substation at the Eastern site (see map overleaf) on the following nights:

- **7pm Wednesday 18 November to 5am Thursday 19 November 2026**
- **7pm Thursday 19 November to 5am Friday 20 November 2026**

Out-of-hours work will also be carried out **up to three nights** during the **week commencing Monday 23 November 2026** to deliver oversize plant and machinery.

Further information about this work including timing will be provided via email. You can subscribe to these updates by emailing: SPWmetro@transport.nsw.gov.au

What will this mean for you?

You may notice:

- Workers and vehicles
- Traffic controllers and signage
- Noise from machinery and equipment
- Temporary traffic changes
- Temporary parking removal

Temporary traffic changes

Date and time	Location	Temporary traffic changes
6pm Wednesday 18 November to 5am Thursday 19 November **6pm Thursday 19 November to 5am Friday 20 November 2026**	Second Avenue	Temporary removal of four parking spaces on the westbound side of Second Avenue

Temporary closure of the footpath and northbound lane from 9pm to 5am with a contraflow traffic arrangement in place. The lane may open to traffic earlier pending progress of work.

*Local resident and business vehicle access will be maintained during all road closures. Traffic control will be in place to direct motorists and pedestrians around each traffic change.

Managing our impacts on the community

We aim to manage our work to minimise disruption to the community and the environment and we will:

- Conduct noise and vibration monitoring as required
- Direct lighting towards work areas and away from neighbouring properties
- Commence high impact noise works after 8am and include respite periods

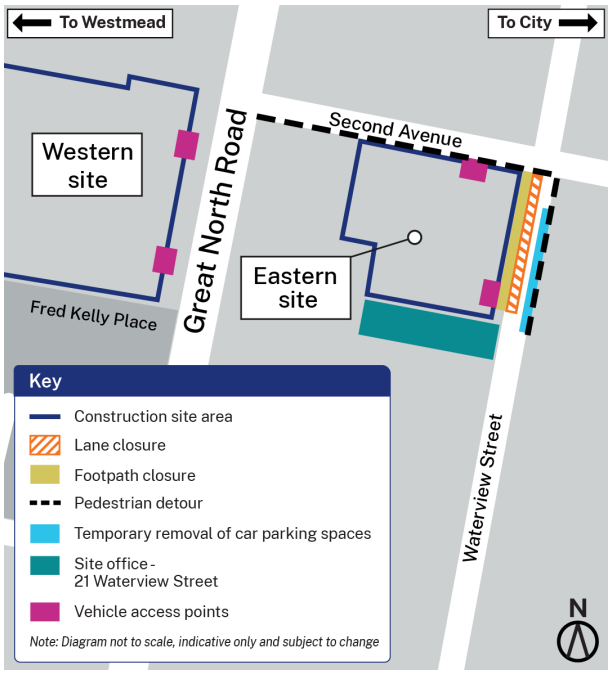

Equipment and machinery

Equipment for this work will include but is not limited to hand tools, pneumatic tools, small machinery, mobile cranes, loaders, survey equipment, elevated work platforms, telehandlers, light towers, fork lifts, generators, delivery trucks, light vehicles, fencing and traffic control devices.

Please contact us on **1800 612 173** or email SPWMetro@transport.nsw.gov.au if you have any questions, complaints or would like to provide feedback about the work, including respite periods and lighting during out-of-hours work.
