Non-compliance and incident details

None

Noise and vibration complaints

- Noise and vibration complaints from SYAB, Crows Nest, Victoria Cross, Waterloo, Barangaroo, Chatswood, Pitt Street and Bligh Street sites – dealt with appropriately by contractors.
- Complaints were caused by a number of different activities, being a mix of daytime and out of hour works, with work activities including formation of piling pads, general demolition activity, out of hour utilities relocation works and the creation of the ramps and footings for acoustic sheds.

Ongoing and upcoming environmental risks

- Ongoing review of implementation of noise and vibration mitigation and management commitments during structural demolition and TSE site establishment, local area and utilities works
- Potential cumulative impacts as NCW works commence near TSE works at Chatswood Dive site

Recommendations (incl auditing)
